**General comments:**The full width of FP31 Ashleyhay, which runs alongside the site of the new barn, must remain unobstructed at all times. It seems that there would be an increase in vehicular traffic along the access drive, which is crossed by Footpath 30 Ashleyhay. If there are any problems with visibility here, vehicle users must be made aware of the possibility of walkers crossing the drive.**Confirm you are human:GDPRTick this box to confirm that you have read and understood the above:**True
