

Site Plan
Scale: 1:500 @ A3

Site Location Plan
Scale: 1:1250 @ A3

Important Note:

All vector data used on this plan has been imported directly from Ordinance Survey data.

This plan must only be used by the planners for identification of the site and neighbouring properties.

The proposed scheme does not include any elements that deviate from the existing footprint of the existing structure, so therefor no site boundary dimensions have been included.
