This report is addressed to the Authority and has been prepared for the sole use of the Authority. We take no responsibility to any member of staff acting in their individual capacities, or to third parties. The Audit Commission issued a document entitled *Statement of Responsibilities of Auditors and Audited Bodies* summarising where the responsibilities of auditors begin and end and what is expected from audited bodies. We draw your attention to this document which is available on Public Sector Audit Appointment's website (www.psa.co.uk).

External auditors do not act as a substitute for the audited body's own responsibility for putting in place proper arrangements to ensure that public business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

We are committed to providing you with a high quality service. If you have any concerns or are dissatisfied with any part of KPMG's work, in the first instance you should contact **Sue Sunderland**, the engagement lead to the Authority, who will try to resolve your complaint. If you are dissatisfied with your response please contact the national lead partner for all of KPMG's work under our contract with Public Sector Audit Appointments Limited, Trevor Rees (on 0161 246 4000, or by email to trevor.rees@kpmg.co.uk). After this, if you are still dissatisfied with how your complaint has been handled you can access PSAA's complaints procedure by emailing generalenquiries@psaa.co.uk, by telephoning 020 7072 7445 or by writing to Public Sector Audit Appointments Limited, 3rd Floor, Local Government House, Smith Square, London, SW1P 3HZ.

This report summarises the key findings from our 2014/15 audit of Amber Valley Borough Council (the Authority).

Although this letter is addressed to the Members of the Authority, it is also intended to communicate these issues to key external stakeholders, including members of the public.

Our audit covers the audit of the Authority's 2014/15 financial statements and the 2014/15 VFM conclusion.

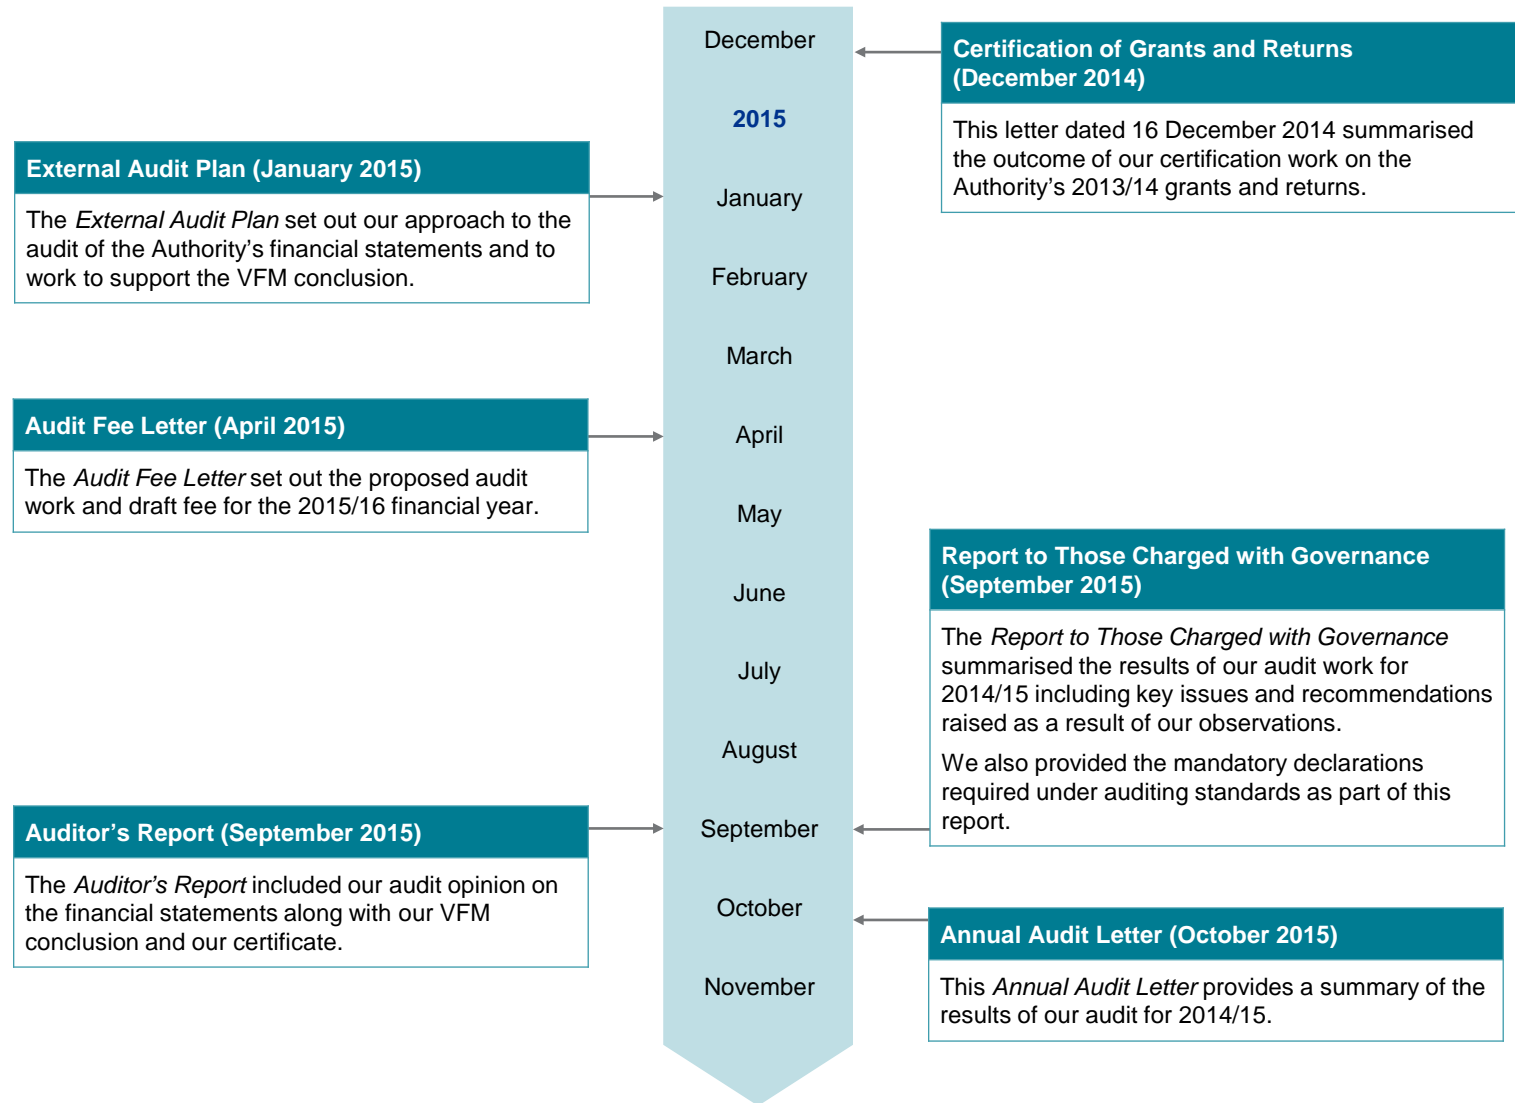

VFM conclusion	<p>We issued an unqualified conclusion on the Authority's arrangements to secure value for money (VFM conclusion) for 2014/15 on 17 September 2015. This means we are satisfied that that Authority had proper arrangements for securing financial resilience and challenging how it secures economy, efficiency and effectiveness.</p> <p>To arrive at our conclusion we looked at the Authority's financial governance, financial planning and financial control processes, as well as the arrangements for prioritising resources.</p>
VFM risk areas	<p>We undertook a risk assessment as part of our VFM audit work to identify the key areas impacting on our VFM conclusion and considered the arrangements you have put in place to mitigate these risks.</p> <p>Our initial risk assessment work at the planning stage of the audit identified the following significant matter:</p> <ul style="list-style-type: none"> ■ Challenges linked to the ongoing need to deliver savings and cost reductions to maintain financial resilience. <p>We critically assessed the controls the Authority has in place to ensure a sound financial standing and reviewed how the Authority is planning and managing its savings plans. We concluded that we did not need to carry out additional work for this risk as there was sufficient relevant work that had been completed by the Authority in relation to this risk area.</p> <p>We concluded that adequate arrangements are in place to manage the Authority's finances, however, we noted that the Authority faces significant on-going financial challenges and is currently forecasting that its reserves could be depleted in 2018/19. Small scale savings continue to made however, more significant plans will be needed to address the growing funding gap.</p> <p>The Council has elections again in May 2016 and it is anticipated that a robust budget reduction plan to address the ongoing budget deficit will not be produced until after the elections.</p> <p>Given the financial challenges it is facing, budget monitoring and regular monitoring and reporting of the savings plans (budget reduction action plans) are fundamental to the continued financial resilience of the Authority and timely action must be taken.</p>
Audit opinion	<p>We issued an unqualified opinion on the Authority's financial statements on 17 September 2015. This means that we believe the financial statements give a true and fair view of the financial position of the Authority and of its expenditure and income for the year.</p>
Financial statements audit	<p>We identified no issues in the course of the audit that are considered to be material.</p> <p>The Authority has good processes in place for the production of the accounts and good quality supporting working papers. Officers dealt efficiently with audit queries and the audit process has been completed within the planned timescales.</p> <p>We have had regular meetings with Officers throughout the year which has facilitated delivery of the audit.</p>

All the issues in this Annual Audit Letter have been previously reported. The detailed findings are contained in the reports we have listed in Appendix 1.

Annual Governance Statement	We reviewed your <i>Annual Governance Statement</i> and concluded that it was consistent with our understanding.
Whole of Government Accounts	The Authority prepares a consolidation pack to support the production of Whole of Government Accounts by HM Treasury. As last year the pack was not submitted to DCLG by the pre-audit deadline on 5 July. We are not required to review your pack in detail as the Authority falls below the threshold where an audit is required. As required by the guidance we have confirmed this with the National Audit Office.
High priority recommendations	We raised one high priority recommendations as a result of our 2014/15 audit work for the Council to refresh the MTFS as part of the upcoming budget setting process including agreeing robust savings plans to maintain the ongoing financial stability of the Authority.
Certificate	We issued our certificate on 17 September 2015. The certificate confirms that we have concluded the audit for 2014/15 in accordance with the requirements of the <i>Audit Commission Act 1998</i> and the Audit Commission's <i>Code of Audit Practice</i> .
Audit fee	Our fee for 2014/15 was £63,315, excluding VAT. Further detail is contained in Appendix 2.

Appendix 1: Summary of reports issued

This appendix summarises the reports we issued since our last *Annual Audit Letter*.

This appendix provides information on our final fees for the 2014/15 audit.

To ensure transparency about the extent of our fee relationship with the Authority we have summarised below the outturn against the 2014/15 planned audit fee.

External audit

Our final fee for the 2014/15 audit was £63,315, which includes the additional £900 incorporated into the scale fee by the Audit Commission linked to the increased audit requirements around NNDR since the removal of the external audit of the NNDR3 grant.

Certification of grants and returns

Under our terms of engagement with Public Sector Audit Appointments (PSAA Ltd) we undertake prescribed work in order to certify the Authority's housing benefit grant claim. This certification work is still ongoing. The final fee will be confirmed through our reporting on the outcome of that work in January 2016.

Other services

We did not charge any additional fees for other services.
