RISK ASSESSMENT

In addition to the usual risks generally associated with the types of work as shown on this drawing, please note the following assessment:

This information is issued for preliminary information and risk assessments are currently being carried out. ☐

No significant risks have been identified with information provided by this drawing. ☒

Significant risks have been identified in the information contained within this drawing. Please refer to the risk file held by the principal contractor. ☐

For information relating to use, cleaning and maintenance, please refer to the project health and safety file.

It is assumed that all works will be carried out by a competent contractor working, where deemed necessary, to an approved method statement.
