

Vision

Idridgehay and Alton

Ashleyhay

Do you CARE about the future of this Neighbourhood?

Do you ever think about how we can preserve this beautiful area whilst enabling sympathetic development? Do you think that Amber Valley Council (principally an urban area) understands the issues that are relevant to us?

As residents in this area we are devising a Neighbourhood Plan that the local planning department must take into account when considering planning applications in our area. Everyone who lives, works or owns land in the parishes of Idridgehay & Alton and Ashleyhay has a right to contribute to and comment on the proposed Neighbourhood Plan.

We will be creating a questionnaire for residents to complete to inform the Neighbourhood Plan. You can help by completing the questionnaire when it is delivered this summer.

If you want to be more involved at an earlier stage, contact us or come along to any of our meetings planned for 30th April, 30th May, 25th June, 25th July, 7pm – 9pm at the Corn Store, Idridgehay (unless otherwise notified).

If you would like to find out more about this you can look at the Parish Council web site – www.iaa-pc.org.uk – and click on Neighbourhood Plan, or contact
