

# When did you last visit Alfreton Indoor Market?

Amber Valley Borough Council is excited to announce that Alfreton Indoor Market is going from strength to strength. If you haven't visited lately you need to, because you are definitely missing out on those Christmas bargains!

Thanks to a new trader incentive, many new traders have now joined the market. The market is literally bursting to full capacity and has turned from the quiet part of town to the central hub where it's all happening!
