OF
EXISTING LAWFUL USE OR DEVELOPMENT

The **Amber Valley Borough Council** hereby certify that on the 13th January 2022 the use described in the First Schedule to this certificate in respect of the land specified in the Second Schedule to this certificate and edged red on the plan attached to this certificate, was lawful within the meaning of section 191 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

From the submitted evidence it is considered that the land as a whole has, on the balance of probability, been used as domestic curtilage from 2012 onwards as demonstrated by the applicants' signed letter and documentation.

There is no information available to the Local Planning Authority to dispute the evidence provided.

It is considered that on the basis of the information submitted in this case, that on the balance of probability the land has been used as domestic curtilage for a continuous period of at least 10 years. The certificate will be granted on this basis.
