General comments: No objection to the planning application but Crich Parish Council request either the case officer or the planning enforcement officer visit the site and advise the occupants in relation to the large unsightly wooden structure under construction in the rear garden. The unsightly wooden structure under construction in the rear garden of this house is a particular concern as it is visible from both Crich Common and from a public footpath that runs adjacent to the next house.**GDPRTick this box to confirm that you have read and understood the above:**True
