Subject:Online submission - comment on a planning application

Submitted via www.ambervalley.gov.uk/planning/development-management/view-a-planning-application/comment-form

Application details:AVA/2021/0983

Change of use of land for tourism purposes and installation of 5 glamping pods**Are you a councillor?**No**Do you want the comment you are about to submit to be shown on our website?**

Name:

[redacted]

Email address:

Name of organisation (if applicable):

Do you wish to object?Yes**Grounds for objection:**The Application states installation of 5 glamping pods, the Design & Access Statement states the Erection of 5 Yurts.
When looking through the drawings the units appear to be timber cabin like dwellings, nothing like Pods or Yurts.
A clear understanding should be established what is proposed for a site that is positioned in Green Belt & falls within DVMHS buffer zone.
The Proposal says change of use of land for tourism purposes.
It should be noted that there is no public transport, so an increase in the volume of traffic is of concern,
the road is used a lot by farmers, Water treatment tankers, cyclists & walkers.
Chevin Road is also a busy so called rat run for traffic trying to avoid the roads through Belper especially at prime times.**General comments:**
