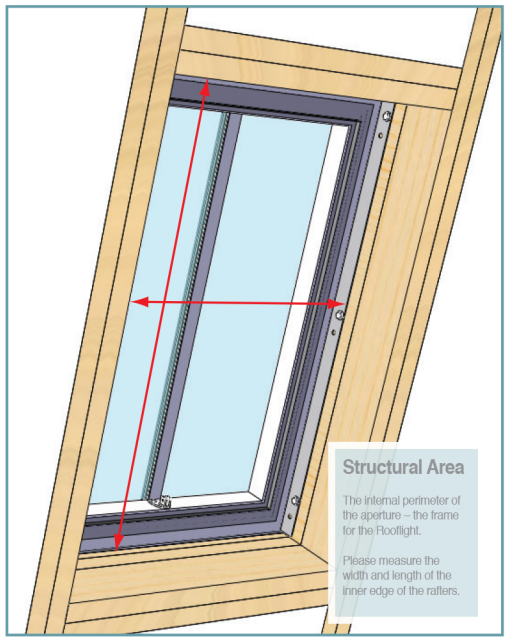
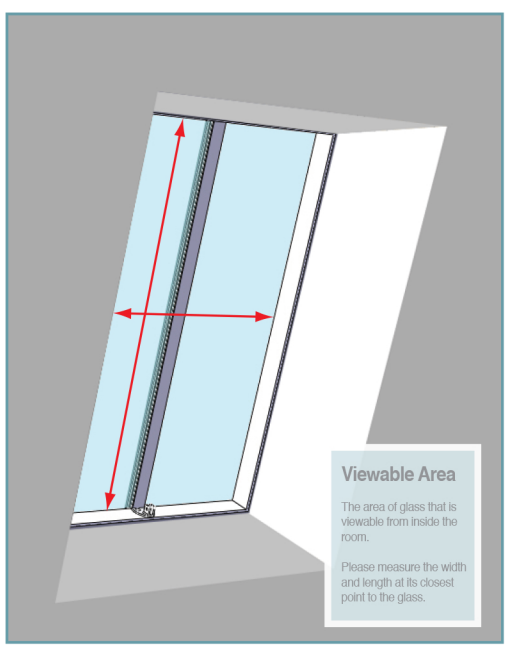
# The Conservation Rooflight® On the Rafter Roof Window Sizes and Prices

Before selecting your size, carefully read the 'Installation Overview' PDF.





**PLEASE NOTE: THE DIFFERENCE BETWEEN AN 'ON THE RAFTER' OR 'BETWEEN THE RAFTER' ROOF WINDOW IS IN THE INSTALLATION, NOT THE ROOFLIGHT SIZE, AND DEPENDS ON THE BUILD-UP OF YOUR ROOF.**

☐ Egress Conservation Rooflights®

These dimensions are calculated for a roof pitch of 35° and over, should your roof pitch be less than this, please contact us so that we can re-calculate these for you.

Sections for viewable and structural dimensions can be found on our website. All prices exclude VAT and delivery.
