Hi

AVA/2021/1319 The Curzon CE (Aided) Primary School Church Road Listed Building Consent for Installation of 2.1m fencing to the rear perimeter of the site and gated emergency route through the church grounds

Quarndon Parish Council have no reservations about the proposed new fence but suggest: 1. the fence should be black in colour as that is the least intrusive, a consideration when it will border a listed building 2. the emergency egress gate in the fence on the boundary with the churchyard be positioned to suit the possibility that a footpath may in future be created from the Church Hall carpark to the school grounds, either across or around the churchyard 3. consideration be given to a new hedge along the churchyard side of the north boundary of the school's land, this would probably best be decided by a joint meeting between QPC, the PCC and the school.

Kind Regards

Laura Storey
