M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The Premises will operate to a high standard, and all staff will be fully trained in their responsibilities regarding the sale of alcohol. The staff will be under constant supervision and retrained every 6 months with records kept for inspection. The Premises will close ~~at 11pm~~ 30 minutes after the licensing activities have ceased, to allow customers to leave in an orderly manner.

b) The prevention of crime and disorder

CCTV will be in use on the premises at all times at an appropriate standard with all images being recorded 24/7. An incident record will be kept in a book with all refusals for the sale of alcohol. These records will be available on request. Sufficient staff will be on duty every shift.

c) Public safety

Staff will be trained to be alert to any potential danger and react accordingly. If they are not able to diffuse a situation without risk, they will call the police. All relevant fire procedures are in place and the business has been fully fire risk assessed.

d) The prevention of public nuisance

The premises are situated in a commercial part of the town, where there are very few residential properties around. Guests will be reminded with a notice on entrance and exit to please leave the premises quietly. As part of the winding down time, customers will be reminded to leave without causing disturbance to any property who may be affected.

e) The protection of children from harm

Only photographic I.D. is accepted. Anyone who appears to be under the age of 25 is challenged to provide I.D. If unable to do so - NO SALE will be made. Challenge 25 posters will be displayed in the bar. All children on the premises will be supervised and accompanied by an adult at all times.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit code (provided to them upon assessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application) will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
