General comments: As far as I can tell from the plans, the two public footpaths which run adjacent to the site, Ripley Footpaths 107 and 157, would not be obstructed by the new fence. The full widths of both paths must remian unobstructed at all times. I hope that there will not be obtrusive fences along both sides of either of the footpaths, so that users do not feel hemmed in by the fences.**GDPRTick this box to confirm that you have read and understood the above:**True
