TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2022/1063**) which was valid on the 30 November 2022 for permission for **Outline application for erection of 2no detached dwellings on land adjacent to 33 Derby Road Ripley Derbyshire.**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **GRANTED subject to the following conditions:**

Conditions/Reasons

1. Application for approval of reserved matters shall be made to the Local Planning Authority before the expiration of three years from the date of this permission and the development hereby permitted shall be begun before the expiration of two years from the date of approval of the last of the reserved matters to be approved.

   Reason: To prevent the accumulation of planning permissions: to enable the Council to review the suitability of the development in the light of altered circumstances and to comply with the provisions of Section 92(2) of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The approval of the Borough Council shall be obtained prior to the commencement of any development in respect of the access to, appearance, landscaping, layout and scale of the buildings.

   Reason: To comply with Section 92 of the Town and Country Planning Act 1990.

Date : 10 May 2023

Signed

Simon Gladwin
Executive Director (Operations)

3. The development hereby permitted shall be carried out only in accordance with the details and specifications shown on the following drawings:

   Existing and Proposed Site Sections, Drg no KJ3415/03
   Received by the Local Planning Authority on 29th November 2022

   Proposed Site/Block Plan, Drg no KJ3415/02 Rev A
   Received by the Local Planning Authority on 19th April 2023

   Reason: To ensure that the development takes the form envisaged by the Local Planning Authority when determining the application in accordance with policy LS3 of the Adopted Amber Valley Borough Local Plan 2006.

4. The front boundary wall/treatment (e.g. fence, hedge etc.) adjacent the highway, shall at no time be higher than 0.9 metres above the level of the adjoining carriageway, for the whole length of the site's front boundary with the adjoining highway.

   Reason: In the interest of highway safety and to accord with section 9 of the NPPF.

5. Any gates, within 5 metres of the highway shall open inwards only, unless otherwise agreed in writing by the Local Planning Authority.

   Reason: In the interest of highway safety in accordance with section 9 of the NPPF.

6. No work shall commence until such time as a scheme indicating proposed floor levels of all buildings, and the relationship of such to the existing dwellings has been submitted to and approved by the Local Planning Authority, and the development shall be constructed in accordance with the agreed levels.

   Reason: To safeguard the privacy and amenities of the occupiers of adjoining properties in accordance with policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

7. Before any development commences on site, a Tree Protection Plan, which clearly demarcates the root protection area of the trees to be protected for the duration of the development shall be submitted and approved in writing by the Local Planning Authority and shall include the position and specification of tree protection barriers in accordance with British Standard 5837:2012.the development shall be implemented in accordance with the approved Tree Protection Plan.

   Reason: To ensure the trees on site are to be retained and adequately protected during and after construction, in the interests of visual amenities of the area and

biodiversity in accordance with Policy EN6 of the adopted Amber Valley Local Plan 2006.

8. No development shall commence until;

a) a scheme of intrusive site investigations has been carried out on site to establish the risks posed to the development by past coal mining activity, and;
b) any remediation works and/or mitigation measures to address land instability arising from coal mining legacy, as may be necessary, have been implemented on site infull in order to ensure that the site is made safe and stable for the development proposed.

The intrusive site investigations and remedial works shall be carried out in accordance with authoritative UK guidance

Reason: This is a prior to commencement of works condition to ensure that effective remedial or mitigating measures are taken to treat, control or contain unstable land in accordance with policy EN18 of the Adopted Amber Valley Borough Local Plan 2006.

9. Prior to the occupation of the development, or it being taken into beneficial use, a signed statement or declaration prepared by a suitably competent person confirming that the site is, or has been made, safe and stable for the approved development shall be submitted to the Local Planning Authority for approval in writing. This document shall confirm the methods and findings of the intrusive site investigations and the completion of any remedial works and/or mitigation necessary to address the risks posed by past coal mining activity.

Reason: This is a prior to commencement of works condition to ensure that effective remedial or mitigating measures are taken to treat, control or contain unstable land in accordance with policy EN18 of the Adopted Amber Valley Borough Local Plan 2006.

Notes

Attention is drawn to the attached notes:

1 In order to reduce the likelihood of local residents being subjected to adverse levels of noise annoyance during construction, work on site should not occur outside of the following hours:
Monday-Friday -7:30am - 18:00 pm
Saturday -8.30am- 13:00 pm
No work on Sundays or Bank Holidays

2 The applicant is advised to investigate the disposal of all surface water from the development to either an appropriate system of soakaways or separate surface water drainage, and not to discharge into the foul sewerage system without the prior approval of Severn Trent Water Ltd.

3 Pursuant to Section 184 of the Highways Act 1980 and Section 86(4) of the New Roads and Streetworks Act 1991 prior notification shall be given to the Department of Economy, Transport & Environment at County Hall, Matlock regarding access works within the highway. Information, and relevant application forms, regarding the undertaking of access works within highway limits is available via the County Council's website

http://www.derbyshire.gov.uk/transport_roads/roads_traffic/development_control/vehicular_access/default.asp, e-mail highways.hub@derbyshire.gov.uk or telephone Call Derbyshire on 01629 533190.

4 Pursuant to Sections 149 and 151 of the Highways Act 1980, steps shall be taken to ensure that mud or other extraneous material is not carried out of the site and deposited on the public highway. Should such deposits occur, it is the applicant's responsibility to ensure that all reasonable steps (e.g. street sweeping) are taken to maintain the roads in the vicinity of the site to a satisfactory level of cleanliness.

5 The council will encourage the developers to help to meet the Government's commitments to achieve net-zero carbon emissions by 2050, and to meet the NPPF's environmental objective of mitigating and adapting to climate change, including moving to a low carbon economy, through the inclusion of on-site renewable energy generation, the de-carbonising of heating systems and enhanced levels of insulation.

Reasons for Permission

In granting permission for this development, the Borough Council has taken into account all material planning considerations arising from the views of statutory and other consultees and public representations about the application, Government guidance as detailed in the National Planning Policy Framework and relevant Neighbourhood Plans, and saved policies of the Adopted Amber Valley Borough Local Plan 2006;

In detail:

The National Planning Policy Framework (NPPF) is a material consideration in planning decisions. In accordance with Paragraph 38 of the NPPF the local planning authority has approached the decision making process in a positive way to foster the delivery of sustainable development and has worked proactively with the applicant/agent to secure a development to improve the economic, social and environmental conditions of the area.

The development complies with the provisions of the development plan for the locality and raises no unresolved issues in relation to the location of the site, privacy, amenity, sunlight/daylight, character and design, landscape or heritage features and highway safety.

NOTES

1. **If the applicant is aggrieved by the decision of the Local Planning Authority to refuse planning permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78/79 of the Town and Country Planning Act 1990, within six months of the date of this notice. The Secretary of State has power to allow a longer period for the giving of a notice but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission of the proposed development could not have been granted by the Local Planning Authority or could not have been so granted otherwise that subject to the conditions imposed on them, having regard to the statutory requirements, to the provision of the development order, and to any directions given under the order.**
2. **Cadent Gas own and operate the gas infrastructure within the area of your development. Contact Cadent's Plant Protection Team for approval before carrying out any works on site and ensuring requirements are adhered to. Email plantprotection@cadentgas.com. Alternatively you can register on www.beforeyoudig.nationalgrid.com**
3. **If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County/District in which the land is situated, a purchase notice requiring that council to purchase his interests in the land in accordance with the provisions of Section 180 of the Town and Country Planning Act 1990.**
4. **In certain circumstances a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Sections 137 and 138 of the Town and Country Planning Act 1990.**
5. **This permission relates to planning controls only. Any other statutory consent necessary including submission under the building regulations must be obtained from the appropriate Authority.**
6. **If it is intended to give notice of appeal in accordance with Paragraph 1 above, this should be done on the appropriate form obtainable from:-**

   The Planning Inspectorate
   3/23 Hawk Wing, Temple Quay House, 2 The Square Temple Quay
   Bristol BS1 6PN
