TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2022/0004**) which was valid on the 14 January 2022 for permission for **Change of use of a vacant barn to holiday let accommodation including partial re-build, single storey extensions, design restorations and alterations at Building At Folds Yard Crich**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **REFUSED for the following reasons:**

Conditions/Reasons

1. The development would fail to preserve the significance of the Grade I Listed St Mary's Church, the Grade II* Listed Crich Stand and the Crich Conservation Area by virtue of harm to their respective settings. The harm would be by the introduction and intervention of a habitable use, and the external alterations which are necessary to facilitate that use. These include the external alterations of domestic character, a garden curtilage, parking, necessary hard-surfacing and domestic paraphernalia. This would be within an open rural landscape of agricultural character of identified high landscape sensitivity, a change of use which would be incongruous and blur the defined interface between the historic settlement/designated assets and its intact rural setting, by eroding the rural setting which forms an important element that makes up the special interest of the identified designated heritage assets. The harm would be 'less than substantial' and the public benefits would not outweigh the harm caused given the number and high value of the designated heritage assets affected. The

development would be contrary to the statutory duty set out at Section 66 (1) of the Planning (Listed Buildings and Conservation Areas) Act 1990, which requires the Local Planning Authority to have special regard to the desirability of preserving Listed Buildings and their respective settings.

The development would be contrary to Policy EN24 of the Adopted Amber Valley Borough Local Plan 2006, as the proposal fails to contribute to the preservation of the listed buildings and their settings; Contrary to Policy EN27 as the development would not contribute to the preservation or enhancement of Crich Conservation Area; and Contrary to Policy NP11 (2) of the Adopted Crich Parish Neighbourhood Plan as the development would detract from the setting of the Conservation Area. The change in character of the site would fail to enhance the local distinctiveness of the rural environment, contrary to Policy LS3 of the Adopted Amber Valley Borough Local Plan, would fail to protect or enhance a valued landscape and to recognise the intrinsic character and beauty of the countryside, contrary to Paragraphs 174 (a) and (b) of the National Planning Policy Framework. The application of the heritage policies found in Part 16 of the NPPF have identified a clear reason for refusing this development as an environmentally unsustainable form of development in accordance with Paragraph 11 d i, and contrary to Paragraph 8 (c).
