TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2020/0729**) which was valid on the 21 August 2020 for permission for **Outline planning Permission for One dwelling at Bailey & Sons Ltd 36 Langley Avenue Somercotes**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **GRANTED subject to the following conditions:**

Conditions/Reasons

1. Application for approval of reserved matters shall be made to the Local Planning Authority before the expiration of three years from the date of this permission and the development hereby permitted shall be begun before the expiration of two years from the date of approval of the last of the reserved matters to be approved.

   Reason: To prevent the accumulation of planning permissions: to enable the Council to review the suitability of the development in the light of altered circumstances and to comply with the provisions of Section 92(2) of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

Date : 22 October 2020 Signed

Julian Townsend
Executive Director (Operations)

2. The approval of the Borough Council shall be obtained prior to the commencement of any development in respect of the access to, appearance, landscaping, layout and scale of the buildings.

   Reason: : To comply with Section 92 of the Town and Country Planning Act 1990.

3. The development hereby permitted shall be carried out only in accordance with the details and specifications set out below and the conditions within this decision notice:

   - Site Location Plan

   Reason: In order to define the permission.

4. Notwithstanding the hereby approved development, any reserved matters application shall be accompanied by a plan showing suitable parking provision and manoeuvring area to service both residential vehicles and small delivery vehicles.

   Reason: In the interests of highway safety in accordance with saved policies TP1 and TP6 of the Adopted Amber Valley Borough Local Plan 2006.

5. No development shall commence until;

   a) a scheme of intrusive investigations has been carried out on site to establish the risks posed to the development by past coal mining activity, and;
   b) any remediation works and/or mitigation measures to address land instability arising from coal mining legacy, as may be necessary, have been implemented on site in full in order to ensure that the site is safe and stable for the development proposed. The intrusive site investigations and remedial works shall be carried out in accordance with authoritative UK guidance.

   Reason: This pre-commencement condition is required to ensure that effective remedial or mitigating measures are taken to treat, control or contain unstable land in accordance with saved policy EN18 of the Adopted Amber Valley Borough Local Plan 2006 and paragraphs 178 and 179 of the National Planning Policy Framework.

Date : 22 October 2020 Signed

Julian Townsend
Executive Director (Operations)

6. Prior to the occupation of the development, or it being taken into beneficial use, a signed statement or declaration prepared by a suitably competent person confirming that the site is, or has been made, safe and stable for the approved development shall be submitted to the Local Planning Authority for approval in writing. This document shall confirm the methods and findings of the intrusive site investigations and the completion of any remedial works and/or mitigation necessary to address the risks posed by past coal mining activity.

   Reason: To ensure that effective remedial or mitigating measures have been undertaken to treat, control or contain unstable land in accordance with saved policy EN18 of the Adopted Amber Valley Borough Local Plan 2006 and paragraphs 178 and 179 of the National Planning Policy Framework.

7. Prior to development commencing:

   i. Should the coal mining risk assessment intrusive investigation not encounter shallow coal mining, a letter from a competent person confirming the coal mining risk assessment did not encounter any shallow coal mining and therefore the ground gas risk does not require further investigation shall be submitted to and accepted in writing by the Local Planning Authority.
   ii. Should the coal mining risk assessment intrusive investigation encounter shallow coal mining, a report detailing the gas monitoring and risk assessment shall be submitted to and accepted in writing by the Local Planning Authority.
   iii. Details of appropriate ground gas mitigation measures to be installed in the building to address risks identified in (ii) shall be submitted to the Local Planning Authority. If the report is accepted the LPA will confirm as part of its response that development may commence.
   iv. Any remedial actions required by the report submitted in fulfilment of (iii) above shall be undertaken and documented in a Verification Report which shall be submitted to and accepted in writing by the Local Planning Authority. This requirement (iv) shall be fulfilled prior to the occupation of any structure.

   Reason: To prevent any risk to human health from ground gas in accordance with saved policy EN18 of the Adopted Local Plan and paragraph 178 of the NPPF.

8. This permission relates to the erection of a single storey development only.

   Reason: To define the terms of this permission and for the avoidance of any doubt and in the interests of the visual amenity and character of the locality in accordance with policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

Date : 22 October 2020 Signed

Julian Townsend
Executive Director (Operations)

Notes
Attention is drawn to the attached notes:

1 The applicant should seek professional advice should contamination be suspected at any stage of the development, and inform the Council's Scientific Officer at the earliest opportunity. The developer should be aware that actions or omissions on their part could lead to liability being incurred, e.g. where development fails to address an existing unacceptable risk or creates such a risk by introducing a new receptor or pathway. More information regarding land contamination can be found on the Councils Land Pollution web page (www.ambervalley.gov.uk/environment-and-planning/pollution).

Reasons for Permission

In granting permission for this development, the Borough Council has taken into account all material planning considerations arising from the views of statutory and other consultees and public representations about the application, Government guidance as detailed in the National Planning Policy Framework and relevant Neighbourhood Plans, and saved policies of the Adopted Amber Valley Borough Local Plan 2006;

LS1 - Sustainability criteria
LS3 - Design
H3 - Housing development within settlements
H12 - Design and amenity considerations
EN18 - Derelict, Unstable And Contaminated Land
TP1 - Impact on the Transport Network

In detail:

The National Planning Policy Framework (NPPF) is a material consideration in planning decisions. In accordance with Paragraph 38 of the NPPF the local planning authority has approached the decision making process in a positive way to foster the delivery of sustainable development and has worked proactively with the applicant/agent to secure a development to improve the economic, social and environmental conditions of the area.

The development complies with the provisions of the development plan for the locality and raises no unresolved issues in relation to the location of the site, privacy, amenity, sunlight/daylight, character and design, landscape or heritage features and highway safety.

NOTES

1. **If the applicant is aggrieved by the decision of the Local Planning Authority to refuse planning permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78/79 of the Town and Country Planning Act 1990, within six months of the date of this notice. The Secretary of State has power to allow a longer period for the giving of a notice but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission of the proposed development could not have been granted by the Local Planning Authority or could not have been so granted otherwise that subject to the conditions imposed on them, having regard to the statutory requirements, to the provision of the development order, and to any directions given under the order.**
2. **Cadent Gas own and operate the gas infrastructure within the area of your development. Contact Cadent's Plant Protection Team for approval before carrying out any works on site and ensuring requirements are adhered to. Email plantprotection@cadentgas.com. Alternatively you can register on www.beforeyoudig.nationalgrid.com**
3. **If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County/District in which the land is situated, a purchase notice requiring that council to purchase his interests in the land in accordance with the provisions of Section 180 of the Town and Country Planning Act 1990.**
4. **In certain circumstances a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Sections 137 and 138 of the Town and Country Planning Act 1990.**
5. **This permission relates to planning controls only. Any other statutory consent necessary including submission under the building regulations must be obtained from the appropriate Authority.**
6. **If it is intended to give notice of appeal in accordance with Paragraph 1 above, this should be done on the appropriate form obtainable from:-**

   The Planning Inspectorate
   3/23 Hawk Wing, Temple Quay House, 2 The Square Temple Quay
   Bristol BS1 6PN
   (Tel. No. 0117 372 8000) www.planning-inspectorate.gov.uk

7. **If the condition of consent or reasons for refusal, make reference to a Division of the Department, the appellant may, if he so wishes, require the attendance of a representative from the Department by notification to the Local Planning Authority. Such a representative would not be liable to cross-examination on questions of departmental policy, but only on matters of fact and expert opinion in relation to the appeal site.**
8. **Where a vehicle is habitually drive across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may after being given due notice by the appropriate authority, be required to pay the cost of construction of a carriage crossing or the strengthening of a footway, as the authority considers it necessary, or may be required to comply with conditions imposed by the authority.**
9. **In the case of building or premises to which the public are to be admitted whether on payment or otherwise, attention is drawn to Sections 4 and 7 of the Chronically Sick and Disabled Persons Act 1970 and the associated Code of Practice (BS5810:1979). In the case of premises to which the Offices, Shops and Railway Premises Act 1963 or the Factories Act 1962 applies, attention is drawn to Sections 7 and 8A of the Chronically Sick and Disabled Persons Act and to the same code of practice. In the case of Educational Buildings, attention is drawn to Sections 7 and 8 of the Chronically Sick and Disabled Persons Act 1978 and to the Design Note 18 "Access for the Physically Disabled Educational Buildings".**
10. **If the development site is crossed by an electric line or is within 15 metres (50ft) of the nearest part of a line (measure horizontally along the ground) or if there is reason to believe that it may be crossed by an underground electric cable, the applicant should contact the Electricity Board to ascertain if and what special safety precautions are necessary.**
11. **The grant of planning permission does not entitle developers to obstruct a public right of way. Development on so far as it affects a right of way, should not be started, and the right of way should be kept open for public use, until the necessary order under Section 247 and 257 of the Town and Country Planning Act 1990 for the diversion of extinguishment of the right of way has been made and confirmed.**
