TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2023/0505**) which was valid on the 28 June 2023 for permission for **Proposed dwelling at Fishermans Rest Broadholme Lane Belper**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **GRANTED subject to the following conditions:**

Conditions/Reasons

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

   Reason: To comply with the requirements of Section 91(1) of the Town and Country Planning Act, 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

Date : 7 December 2023

Signed

S Gladwin

Simon Gladwin
Executive Director (Operations)

2. The development hereby permitted shall be carried out only in accordance with the details and specifications shown on the following drawings:

   Block Plan
   Received on 27th June 2023

   Utility Building Elevations, Drg no 2318 04
   Received on 23rd June 2023

   Proposed Site/Floor Plan Drg no 2318/02A
   Remedial works to site frontage Drg no 2318/04
   Received on 13th November 2023

   Block plan with visibility splay
   Received on 28th November 2023

   Elevations, Drg no 2318/03 Rev B
   Received on 5th December 2023

   Reason: To ensure that the development takes the form envisaged by the Local Planning Authority when determining the application in accordance with policy LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

3. The materials to be used in the construction of the proposed dwelling hereby permitted, shall match those as annotated on drawing no 2318/03 B received on 5th December 2023 comprising brick and stonework elevations, slate roof and Upvc windows unless otherwise approved, in writing, by the Local Planning Authority.

   Reason: To ensure the satisfactory appearance of the completed development in accordance with policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

4. Prior to occupation of the approved dwelling, the access, parking and turning facilities shall have been provided as shown on drawing 2318/02.

   Reason: To ensure conformity with submitted details in accordance with Policies TP1 and TP6 of the Adopted Amber Valley Local Plan 2006 and Paragraph 110(b) of the NPPF.

Date : 7 December 2023

5. The development hereby approved shall not be occupied until visibility splays are provided from a point 0.6m above carriageway level at the centre of the access to the application site and 2.4 metres back from the near side edge of the adjoining carriageway, (measured perpendicularly), for a distance of 102 metres in each direction measured along the nearside edge of the adjoining carriageway and offset a distance of 0.6 metres from the edge of the carriageway. These splays shall thereafter be permanently kept free of all obstructions to visibility over 0.6m in height above carriageway level.

   Reason: In the interests of highway safety in accordance with Policy TP1 of the Adopted Amber Valley Local Plan 2006 and Paragraph 110 (b) of the NPPF.

6. The use of the outbuilding shall be incidental to the residential occupation of the main dwelling, hereby approved. It shall not be used as a separate living or work-related unit and should not be sold, let or otherwise disposed of.

   Reason: For the reason of doubt and to safeguard the residential amenities of neighbouring occupiers.

Notes

Attention is drawn to the attached notes:

1 The Local Highway Authority has no objection to the above subject to the applicant obtaining a section 184 license. The construction of a new access will require the extension of a verge and/or footway crossing from the carriageway under the Highways Act 1980 - Section 184 and the Applicant is required to obtain the permission of Derbyshire Highways details can be found at www.derbyshire.gov.uk/transport-roads/roads-traffic/licences-enforcements/vehicular-access/vehicle-accesses-crossovers-and-dropped-kerbs.aspx or email highways.hub@derbyshire.gov.uk before commencing any works on the highway.

2 Drainage arrangements shall be provided to ensure that surface water from the driveway and/or vehicular turning area does not discharge onto the public highway. No drainage or effluent from the proposed development shall be allowed to discharge into any highway drain or over any part of the public highway.

Date : 7 December 2023

3 Development Low Risk Area - Standing Advice

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

4 Biodiversity enhancement measures could be incorporated into the design of the development through the inclusion of the following:
bird nest boxes
integrated bat boxes
insect bricks
fencing gaps 130 mm x 130 mm to maintain connectivity for hedgehogs between dwellings

Reasons for Granting Permission

In granting permission for this development the Borough Council has taken into account all material planning considerations arising from the views of statutory and other consultees and public representations about the application, Government guidance as detailed in the National Planning Policy Framework and the saved policies of the Adopted Amber Valley Borough Local Plan 2006:

-

In detail:

The National Planning Policy Framework (NPPF) is a material consideration in planning decisions. In accordance with Paragraph 38 of the NPPF the local planning authority has approached the decision making process in a positive way to foster the delivery of sustainable development and has worked proactively with the applicant/agent to secure a development to improve the economic, social and environmental conditions of the area.

The development complies with the provisions of the development plan for the locality and raises no unresolved issues in relation to the location of the site, privacy, amenity, sunlight/daylight, character and design, landscape or heritage features and highway safety.

NOTES

1. **If the applicant is aggrieved by the decision of the Local Planning Authority to refuse planning permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78/79 of the Town and Country Planning Act 1990, within six months of the date of this notice. The Secretary of State has power to allow a longer period for the giving of a notice but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission of the proposed development could not have been granted by the Local Planning Authority or could not have been so granted otherwise that subject to the conditions imposed on them, having regard to the statutory requirements, to the provision of the development order, and to any directions given under the order.**
2. **Cadent Gas own and operate the gas infrastructure within the area of your development. Contact Cadent's Plant Protection Team for approval before carrying out any works on site and ensuring requirements are adhered to. Email plantprotection@cadentgas.com. Alternatively you can register on www.beforeyoudig.nationalgrid.com**
3. **If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County/District in which the land is situated, a purchase notice requiring that council to purchase his interests in the land in accordance with the provisions of Section 180 of the Town and Country Planning Act 1990.**
4. **In certain circumstances a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Sections 137 and 138 of the Town and Country Planning Act 1990.**
5. **This permission relates to planning controls only. Any other statutory consent necessary including submission under the building regulations must be obtained from the appropriate Authority.**
6. **If it is intended to give notice of appeal in accordance with Paragraph 1 above, this should be done on the appropriate form obtainable from:-**

   The Planning Inspectorate
   3/23 Hawk Wing, Temple Quay House, 2 The Square Temple Quay Bristol BS1 6PN
   (Tel. No. 0117 372 8000) www.planning-inspectorate.gov.uk

7. **If the condition of consent or reasons for refusal, make reference to a Division of the Department, the appellant may, if he so wishes, require the attendance of a representative from the Department by notification to the Local Planning Authority. Such a representative would not be liable to cross-examination on questions of departmental policy, but only on matters of fact and expert opinion in relation to the appeal site.**
8. **Where a vehicle is habitually drive across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may after being given due notice by the appropriate authority, be required to pay the cost of construction of a carriage crossing or the strengthening of a footway, as the authority considers it necessary, or may be required to comply with conditions imposed by the authority.**
9. **In the case of building or premises to which the public are to be admitted whether on payment or otherwise, attention is drawn to Sections 4 and 7 of the Chronically Sick and Disabled Persons Act 1970 and the associated Code of Practice (BS5810:1979). In the case of premises to which the Offices, Shops and Railway Premises Act 1963 or the Factories Act 1962 applies, attention is drawn to Sections 7 and 8A of the Chronically Sick and Disabled Persons Act and to the same code of practice. In the case of Educational Buildings, attention is drawn to Sections 7 and 8 of the Chronically Sick and Disabled Persons Act 1978 and to the Design Note 18 "Access for the Physically Disabled Educational Buildings".**
10. **If the development site is crossed by an electric line or is within 15 metres (50ft) of the nearest part of a line (measure horizontally along the ground) or if there is reason to believe that it may be crossed by an underground electric cable, the applicant should contact the Electricity Board to ascertain if and what special safety precautions are necessary.**
11. **The grant of planning permission does not entitle developers to obstruct a public right of way. Development on so far as it affects a right of way, should not be started, and the right of way should be kept open for public use, until the necessary order under Section 247 and 257 of the Town and Country Planning Act 1990 for the diversion of extinguishment of the right of way has been made and confirmed.**
