Subject:Online submission - comment on a planning application

Submitted via www.ambervalley.gov.uk/planning/development-management/view-a-planning-application/comment-form

Application details:AVA/2023/0248

The proposed works are the replacement of three antennas at a height of 17.35 metres. The installation of a GPS module at a height of 3.1 metres, and ancillary equipment to support the existing installation.**Are you a councillor?**No**Do you want the comment you are about to submit to be shown on our website?**

[redacted]**ame of organisation (if applicable):**Peak and Northern Footpaths Society**Do you wish to object?**No**Grounds for objection:**

General comments: The vehicular access to the site crosses Belper Footpath 35. During the construction phase, it is hoped that notices will be displayed warning drivers of the possible presence of walkers crossing the track and warning walkers that they are about to cross a trcack used by vehicles. Any damage to the surface of the footpath crossing must be made good.**GDPRTick this box to confirm that you have read and understood the above:**True
