Dear Sir or Madam

Proposal:	**We wish to re-pollard two field maple trees (T1 and T2) that are protected in the conservation area on Little Fallows Milford. They have been previously pollarded and there regrowth has now become large enough where stress fractures can be visibly seen from the orginal pollard that was carried out. We feel it would best for the trees to be pollarded back to where they have been cut before as several of the residents park there vehicles underneath them.**
Location:	**31 Little Fallows Milford Belper Derbyshire DE56 0RY**

I am writing to confirm that the Council does not propose to serve a Tree Preservation Order in response to your notice of 17 September 2025.

You may carry out the work so long as;

1. You do so within two years of the date of your notice; and

2. You do no more work on the tree(s) than is set out in your notice.

Yours faithfully

Mr Fergus MacArthur
Trees and Conservation Officer

Note: The Council recommends that a competent arboricultural contractor carries out this work (see enclosed leaflet 'Tree Work - Choosing Your Arborist') and whilst the Council does not recommend or assess any individuals or companies it does recognise the Arboricultural Association Approved Contractor scheme as being the best way of assuring the professional competence of companies engaged in tree work.
