Dear Sir or Madam

Proposal:	**G1 3 Poplar Trees - Remove new growth from last pollard and reduce height to 6m in height, to regenerate pollard point lower than before (approx. 3m) to manage future size and mitigate risk of them failing and damaging property. One branch has recently broken off and hit buildings beneath.** **T1 Spruce - reduce height by 4m to manage size (resulting height approx. 15m) and also prune in lateral branches by 1m to give overall smaller size of tree as owners wish for tree to be kept as smaller size**
Location:	**Meadow View Church Lane Kirk Langley Ashbourne Derbyshire DE6 4NG**

I am writing to confirm that the Council does not propose to serve a Tree Preservation Order in response to your notice of 15 October 2025.

You may carry out the work so long as;

1. You do so within two years of the date of your notice; and

2. You do no more work on the tree(s) than is set out in your notice.

Yours faithfully

Mr Fergus MacArthur
Trees and Conservation Officer

Note: The Council recommends that a competent arboricultural contractor carries out this work (see enclosed leaflet 'Tree Work - Choosing Your Arborist') and whilst the Council does not recommend or assess any individuals or companies it does recognise the Arboricultural Association Approved Contractor scheme as being the best way of assuring the professional competence of companies engaged in tree work.
