

The copyright of this drawing and design remains the intellectual property of YARN Architecture Limited and may not be used without written permission for anything other than the intended project. Do not scale from this drawing, use written dimensions only. All dimensions are to be verified on site by the contractor prior to work commencing. All dimensions are in mm unless otherwise stated. Any discrepancies, errors or omissions to be reported to the designer before the commencement of works. This drawing is to be read in conjunction with all other relevant architectural, structural, civil's and services drawings and specifications provided. All building materials, components and workmanship to comply with the appropriate public health acts, building regulations, British standards, codes of practice and the appropriate manufacturer's recommendations.

## Window C

Replace existing (new) uPVc window with hardwood timber sash window with single glazing.

**Dimensions of Window C match area of disturbed brickwork where window B (front elevation, first floor) was replaced. Therefore, windows A, B & C are proposed to match in size, proportion and style. The only difference is double glazing proposed to windows A & B, due to it being residential use and an exposed location.*

Window C before removal (circa 2021). New timber sash window to replace existing upvc window to this design.

**Note :**

**All new sash windows are to be set within a reveal of 100mm**

## Windows A & B (to match window C)

Re-instate original openings window with hardwood timber sash window - to match proportions of window A (as measured). To be double glazed for residential property.

Re-instate stone lintel and sill to also match with window A, as found on Church Lane, and shall be finished with the same tooled face.

Image shows Window A before removal (circa 2008). Note similarity in size proportion and design to Window C, but with the addition of horn detail and deeper bottom rail on window.

Photo of original shop appears on image DCHQ502370 on 'Picture the Past' which refers to Window B.
