Dear Sir or Madam

Proposal: **Prunus (T1) - Fell - purple leaved flowering plum has previously fallen, leaving a dense mass of both the purple leaf desired form and the green leaved rootstock. This is encroaching on Higg Lane, and is obstructing planting space. The intention is to replace with a smaller more aesthetically pleasing tree, species / cultivar TBC depending on exactly how much space is freed upon felling T1**
Sycamore (T2) - remove 2 x branches as per photos, providing more headspace over pond / borders
River Birch (T3) - Fell - Tree has poor shape due to pruning back to adjacent boundary. To be replaced with a Eucryphia slightly further from the boundary

Location: **Hillside Higg Lane Alderwasley Belper Derbyshire DE56 2RB**

I am writing to confirm that the Council does not propose to serve a Tree Preservation Order in response to your notice of 18 October 2025.

You may carry out the work so long as;

1. You do so within two years of the date of your notice; and

2. You do no more work on the tree(s) than is set out in your notice.

Yours faithfully

Sam Denston
Trainee Trees and Nature Conservation Officer

Note: The Council recommends that a competent arboricultural contractor carries out this work (see enclosed leaflet 'Tree Work - Choosing Your Arborist') and whilst the Council does not recommend or assess any individuals or companies it does recognise the Arboricultural Association Approved Contractor scheme as being the best way of assuring the professional competence of companies engaged in tree work.
