Dear Sir or Madam

Proposal: **This application surrounds a small line of mature trees overhanging into the garden of 7 Manor Road, South Wingfield. These trees are positioned in the garden of 1 Manor Road, South Wingfield. Part of this application also concerns 3 trees within 7 Manor Road.**
The line of trees at 1 Manor Road consists of Laurel, Conifer, Goat Willow and Ash. All these trees have low hung branches resting on the boundary fence and covering a lot of of the garden at no. 7. The proposal is to carry out a small lift on all the overhanging lower branches to reduce pressure on the fence and to enable accessibility to that part of the garden. There is no application to remove any height or large limbs. Within no. 7 and close to the above line of trees, is a large mature Copper Beech and Yew tree. The application is to lift 2 small branches from the Copper Beech and similar from the Yew. There is also a small unhealthy Lilac tree which has recently lost a limb and the owners spoke to AVBC regarding the state and location of this tree and were given permission to remove it.

Location: **7 Manor Road South Wingfield Alfreton Derbyshire DE55 7NH**

I am writing to confirm that the Council does not propose to serve a Tree Preservation Order in response to your notice of 14 July 2025.

You may carry out the work so long as;

1. You do so within two years of the date of your notice; and

2. You do no more work on the tree(s) than is set out in your notice.

Yours faithfully

Sam Denston
Trainee Trees and Nature Conservation Officer

Note: The Council recommends that a competent arboricultural contractor carries out this work (see enclosed leaflet 'Tree Work - Choosing Your Arborist') and whilst the Council does not recommend or assess any individuals or companies it does recognise the Arboricultural Association Approved Contractor scheme as being the best way of assuring the professional competence of companies engaged in tree work.
