TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2020/1119**) which was valid on the 10 December 2020 for permission for **Creation of access with electric charging point and off-street parking including regrading of land and reinstating boundary wall. Removal of low level structure to rear of dwelling at Duffield Bank House Cottage Duffield Bank Duffield**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **REFUSED for the following reasons:**

Conditions/Reasons

1. The creation of an access to facilitate off-street parking would open up the visual access to the rear gardens of this group of buildings, changing the enclosed private character of Duffield Bank which provides the setting to the listed building and would therefore be out of character with the existing dwelling. The loss of the wall and urbanising impact of the parking space and driveway would be harmful to the simple enclosed garden setting of Duffield Bank, the street scene and the character of the area which is typified by the presence of continuous stone walling.

   The proposal would result in less than substantial harm to the historic significance of the listed building and would not contribute to the preservation or enhancement of the listed building, its setting or the Outstanding Universal Value of the Derwent Valley Mills World Heritage Site

through harm to its setting. The level of harm arising from the proposal would be less than substantial as defined by paragraph 196 of the NPPF, without public benefits outweighing that harm. The proposal is therefore contrary to the section 66 of the Act, the part 16 of the NPPF and saved policies EN24, EN29, LS3 and H12 of the Amber Valley Borough Local Plan 2006. The proposal does not constitute sustainable development in terms of paragraph 8 of the NPPF and paragraph 11 d(i) of the NPPF which states proposals should be permitted unless the application of policies within the framework that protect areas or assets of particular importance provides a clear reason for refusing the development proposed, there is such a clear reason in this case.

Notes

Attention is drawn to the attached notes:

In detail:

The processing of this planning application has been undertaken in accordance with the requirements of the National Planning Policy Framework (NPPF) Core Planning Principles. The Local Planning Authority considered the principle of the development was unacceptable and the issue cannot be resolved. On this basis the requirement to engage in a positive and proactive manner is considered to be best served by the Local Planning Authority issuing a decision on the application at the earliest opportunity and thereby allowing the applicant to exercise their right to appeal.

The Secretary of State has power to allow a longer period for the giving of a notice but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The circumstances in which such compensation is payable are set out in Sections 137 and 138 of the Town and Country Planning Act 1990.**
4. **This permission relates to planning controls only. Any other statutory consent necessary including submission under the building regulations must be obtained from the appropriate Authority.**

10. **The grant of planning permission does not entitle developers to obstruct a public right of way. Development on so far as it affects a right of way, should not be started, and the right of way should be kept open for public use, until the necessary order under Section 247 and 257 of the Town and Country Planning Act 1990 for the diversion of extinguishment of the right of way has been made and confirmed.**
