- [x] Yes

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Conversion of existing attached garage to habitable lounge, including replacement of garage door with new wall and window to front elevation.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- [ ] Yes
- [x] No

Has the proposal been started?

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The property is a single dwellinghouse in lawful residential use. The attached garage is part of the original planning unit and serves as an ancillary space. The proposal involves converting the garage into a habitable lounge within the existing structure. The dwellinghouse will retain its lawful residential use after the works.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- [x] Permanent

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposal seeks to convert the attached garage into a habitable lounge by replacing the garage door with a wall and window. The property will remain a single dwellinghouse (Use Class C3) with no increase in size. This is considered permitted development, provided there are no restrictive planning conditions or limitations on permitted development rights.

Site Visit

- [x] Yes
- [ ] No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- [ ] Yes
- [x] No
