Dear Sir or Madam

Proposal: **T1 on the sketch plan is a Horse Chestnut approximately 15M in height. Its original main stem has either failed in the past or been removed, contains deadwood and bark shedding, with several fruiting bodies of Polyporus squamosus. Due to the poor condition, species type and location close to the main footpath, Felling to ground level is proposed.**
T2 is an Ash 12m in height and containing approximately 25% of Ash Die Back disease symptoms. Felling this tree is proposed due to the condition and location with little chance of recovery.
Both trees are close by to several other tree specimens which will continue the local cover and interest.

Location: **Kedlston Hall Car Park Kedleston Derby Derbyshire**

Agent:

I am writing to confirm that the Council does not propose to serve a Tree Preservation Order in response to your notice of 17 August 2025.

You may carry out the work so long as;

1. You do so within two years of the date of your notice; and

2. You do no more work on the tree(s) than is set out in your notice.

Yours faithfully

Mr Fergus MacArthur
Trees and Conservation Officer

Note: The Council recommends that a competent arboricultural contractor carries out this work (see enclosed leaflet 'Tree Work - Choosing Your Arborist') and whilst the Council does not recommend or assess any individuals or companies it does recognise the Arboricultural Association Approved Contractor scheme as being the best way of assuring the professional competence of companies engaged in tree work.
