Details of the pre-application advice received

It was advised that the appearance of the garage would be improved if the owner would be willing to timber clad the garage, which the owner has agreed to do. In terms of regularising the development, the officer advised that a CLD should be sought to regularise the development and the officer consider that the evidence we proposed to supply (demonstrating that any enforcement action would be out of time) would be sufficient.

Interest in the Land

Please state the applicant's interest in the land

- [x] Owner
- [ ] Lessee
- [ ] Occupier

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
