Dear Sir or Madam

Proposal: **Species: Yew tree**
Sketch plan: 1
Description of works: removal of tree due to the close proximity to our house. (Within 2 metres). It has been recommended by a surveyor as well as a tree surgeon and arboriculturist, that this tree is removed due it being within dangerous proximity to our property. The tree is also interfering with our neighbours BT cabling.
We are proposing the safe removal of the tree and we are also happy to plant another in its place further away from the property.

Agent:

I am writing to confirm that the Council does not propose to serve a Tree Preservation Order in response to your notice of 2 March 2026.

You may carry out the work so long as;

1. You do so within two years of the date of your notice; and

2. You do no more work on the tree(s) than is set out in your notice.

Yours faithfully

Sam Denston
Trainee Trees and Nature Conservation Officer

Note: The Council recommends that a competent arboricultural contractor carries out this work (see enclosed leaflet 'Tree Work - Choosing Your Arborist') and whilst the Council does not recommend or assess any individuals or companies it does recognise the Arboricultural Association Approved Contractor scheme as being the best way of assuring the professional competence of companies engaged in tree work.
