Dear Sir or Madam

Proposal:	**Trees to the north of the property, south side of the river bank. G1: Trim back trees along the laterally wall to maintain clearance for vehicles. Trimming back to wall and approximately 3m high. G1.1: Trees in this section are forming more of a hedge structure. Reduce in height to approximately 5m in this smaller section to prevent hedge from growing too tall. T1: Alder. Re-pollard to previous pollard points due to the re-growth becoming very long and spindly, and also growing northeast toward neighboring properties.**
Location:	**Duck House 2 Duck Island Tamworth Street Duffield Belper Derbyshire**

I am writing to confirm that the Council does not propose to serve a Tree Preservation Order in response to your notice of 15 September 2026.

You may carry out the work so long as;

1. You do so within two years of the date of your notice; and

2. You do no more work on the tree(s) than is set out in your notice.

Yours faithfully

Mr Fergus MacArthur
Trees and Conservation Officer

Note: The Council recommends that a competent arboricultural contractor carries out this work (see enclosed leaflet 'Tree Work - Choosing Your Arborist') and whilst the Council does not recommend or assess any individuals or companies it does recognise the Arboricultural Association Approved Contractor scheme as being the best way of assuring the professional competence of companies engaged in tree work.
