Application details:AVA/2021/0701

Application to modify a Section 106 Planning Obligation relating to AVA/2019/0229 to enable the development to be brought forward**Title:**Mr**Do you want the comment you are about to submit to be shown on our website?**

Name: Andrew Sharpe**Address:**[redacted]**Email address:**clerk@almpc.co.uk**Name of organisation (if applicable):**Aldercar & Langley Mill Parish Council**Do you wish to object?**Yes**Grounds for objection:**The Parish Council are disappointed that consideration is being given to this request. The developer having been granted permission with the conditions imposed should not now be able to override those considerations by asking to make such substantial changes. This could set a major precedent.**General comments:**Having objected to the development previously, our objections still stand. The proposed changed should not be granted lightly and the Parish Council strongly urge the planning authority to reject the proposal to modify.**Confirm you are human:GDPRTick this box to confirm that you have read and understood the above:**True
