TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2021/0402**) which was valid on the 13 April 2021 for permission for **Modification of existing fence and retention of shed at The Lodge Lea Wood Hall Mill Lane**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **REFUSED for the following reasons:**

Conditions/Reasons

1. The proposal would result in harm, through the introduction of building and fencing of inappropriate scale, design, materials and siting which result in an incongruous form of development harmful to the character, setting and special interest of the adjacent Grade II Listed Building (The Lodge), as well as the entrance gateway to Lea Wood Hall through inappropriate development within its setting.

   The proposal is therefore contrary to Section 66 (1) of the Planning (Listed Buildings and Conservation Areas) Act 1990, which sets out a statutory duty to preserve the Listed Building and any features of special architectural historic interest which it possesses, including through its setting. The proposal is contrary to saved policy EN24 of the Adopted Local Plan 2006 and Policy NPP6 of the Neighbourhood Plan as it does not contribute to the preservation of the setting of the Listed Building and contrary to

Part 16 of the National Planning Policy Framework as it does not sustain or enhance the significance of the setting of the Listed Building.

There are no public benefits arising from the re-development of a private residential garden which would outweigh the 'less than substantial' harm caused to the setting of the designated heritage asset, having weighed the harm against the public benefit in accordance with paragraph 202 of the National Planning Policy Framework.

In the finding of 'less than substantial' harm and without the public benefits outweighing the harm, the restrictive policies, which seek to protect the historic environment as set out in Part 16 of the National Planning Policy Framework, therefore provide a clear reason to refuse this development in accordance with paragraph 11, d i of the NPPF.

Notes
Attention is drawn to the attached notes:

In detail:

The processing of this planning application has been undertaken in accordance with the requirements of the National Planning Policy Framework (NPPF). Dialogue between the applicant and Local Planning Authority has been undertaken to try and address the issues associated with the proposal. This includes the request for additional information and allowing a delay in the determination of the application to give the applicant the opportunity to address the concerns, however, the issues have failed to be resolved.
