Proposal: Demolition of existing conservatory. Construction of single storey rear and front extensions and external car port

Location: 14 Poles Road Kirk Langley Ashbourne Derbyshire DE6 4LT

Dear Alex

Thank you for consulting on this application. I responded to a similar application for the same site AVA/2022/1121. Archaeological monitoring associated with that application showed no evidence of below ground archaeology. Given this previous work I do not expect there to be any archaeological implications from this development and I have no objection.

Best regards

Reuben
