Subject:Online submission - comment on a planning application

Submitted via www.ambervalley.gov.uk/planning/development-management/view-a-planning-application/comment-form

Application details:AVA/2021/0995

Demolition of 1 no. barn and 2 no. stables and erection of 1 no. dwelling with associated works and landscaping.**Title:** [redacted]**Do you want the comment you are about to submit to be shown on our website?**

[redacted]

address [redacted]**me of organisation (if applicable):**Peak and Northern Footpaths Society**Do you wish to object?**

Grounds for objection:

General comments:I can see no mention in any of the documents of the fact that vehicular access to the site is over Footpath 7 Shipley and that this path runs very close to the site. The effect of development on public rights of way is a material consideration in the determination of planning applications and the planning officer must be certain that the development would have no adverse effect on the footpath. The full width of the path must remain unobstructed at all times.**Confirm you are human:GDPRTick this box to confirm that you have read and understood the above:**True
