RE: Quotation & Drawings (Virtual Showroom Tour)

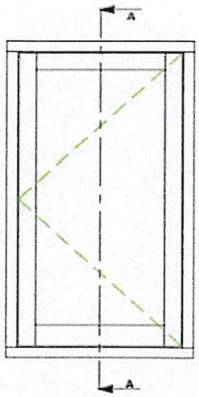

AVA/2021/1218

Good morning Mrs Kinsley,
Apologises for the delay in responding. I have looked at the original quotation and you were quoted 18mm Flush Casements. I can get the sectional drawings for these but wondered if you had considered the Listed versions. They offer a 14mm slim double glazed unit which the planners may like or the single glazed version.
I have attached the sectional drawings for the 18mm and 14mm units.
Hope this is helpful.
Kind Regards
