TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2021/1119**) which was valid on the 19 October 2021 for permission for **New dormers, Open flat roof area and new front porch at Stainsby Bungalow Main Road Smalley**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **REFUSED for the following reasons:**

Conditions/Reasons

1. The development proposed would have an adverse impact on the significance of the listed garden walls and towers surrounding the site. The larger scale of the dwelling, as a result of the proposed extensions, would reduce any subservience to the wall and towers that the existing dwelling has. The existing dwelling in its current form is considered incongruous to the setting of the listed structure. The proposal would cause further harm to the setting of the listed wall and towers. The proposal would not preserve or enhance the designated heritage asset or its setting and would cause harm to the setting of the listed structure.

   The harm to the designated heritage asset would be less than substantial as defined in the current NPPF (20 July 2021), and there are no public benefits to outweigh the harm. The proposal is therefore contrary to section 66 of the Act, Part 16 of the

National Planning Policy Framework and saved policy EN24 of the Amber Valley Borough Local Plan 2006.

The proposal does not constitute sustainable development in terms of paragraph 8 of the NPPF and paragraph 11 d(i) of the NPPF which states proposals should be permitted unless the application of policies within the framework that protect areas or assets of particular importance provides a clear reason for refusing the development proposed, there is such a clear reason in this case.

Notes

Attention is drawn to the attached notes:

In detail:

Dialogue between the applicant and Local Planning Authority has been undertaken to try and address the issues associated with the proposal. This includes the request for amended plans to give the applicant the opportunity to address the concerns, however, the issues have failed to be resolved.

10. **The grant of planning permission does not entitle developers to obstruct a public right of way.
