CDM Regulations 2015

! Denotes a significant hazard or difficult management procedure. Please refer to drawing notes for potential hazards. Main contractor to plan for mitigation measures in response to hazards.

CDM Regulations require that **all** projects are to:

- **Have workers to be competent and are suitably skilled for the work they carry out;**
- **Contractors to provide appropriate supervision, instruction and information to all on site workers to provide a safe working environment;**
- **Have a written construction phase plan.**

Worcester architects are appointed as `Designer` only, unless a written appointment has been completed for the formal appointment as `Principal Designer`
