TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2021/0980**) which was valid on the 20 September 2021 for permission for **Construction of a replacement dwelling including raised patio area and detached garage with accommodation above at Channel Cottage Upper Hartshay Heage**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **GRANTED subject to the following conditions:**

Conditions/Reasons

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

   Reason: To comply with the requirements of Section 91(1) of the Town and Country Planning Act, 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development shall be undertaken in accordance with the following:

   Planning application form;
   Existing layouts, elevations, block plan and location plan drawing no. 101 Rev A;

Date : 27 January 2022 Signed

Julian Townsend
Executive Director (Operations)

Proposed site layout drawing no. 103;
Proposed layout and elevations (dwelling) drawing no. 104;
Proposed Garage layouts and elevations drawing no. 105 Rev B received by the Local Planning Authority on 19 January 2022;
Preliminary Bat Roost and Nesting Bird Assessment Ref DE00035/01/i dated 31/05/2020;
Demolition method statement and risk assessment Ref 1663;
Coal Mining Risk Assessment

Reason: To define the terms of the permission.

3. No development shall commence (excluding the demolition of existing structures) until;
a) a scheme of intrusive investigations has been carried out on site to establish the risks posed to the development by past shallow coal mining activity; and
b) any remediation works and/or mitigation measures to address land instability arising from coal mining legacy, as may be necessary, have been implemented on site in full in order to ensure that the site is made safe and stable for the development proposed.

The intrusive site investigations and remedial works shall be carried out in accordance with authoritative UK guidance.

Reason: The undertaking of intrusive site investigations, prior to the commencement of development, is considered to be necessary to ensure that adequate information pertaining to ground conditions and coal mining legacy is available to enable appropriate remedial and mitigatory measures to be identified and carried out before building works commence on site. This is in order to ensure the safety and stability of the development, in accordance with paragraphs 183 and 184 of the National Planning Policy Framework and saved policy EN18 of the Adopted Amber Valley Borough Local Plan 2006.

4. Prior to the occupation of the development, or it being taken into beneficial use, a signed statement or declaration prepared by a suitably competent person confirming that the site is, or has been made, safe and stable for the approved development shall be submitted to the Local Planning Authority for approval in writing. This document shall confirm the methods and findings of the intrusive site investigations and the completion of any remedial works and/or mitigation necessary to address the risks posed by past coal mining activity.

Reason: The undertaking of intrusive site investigations, prior to the commencement of development, is considered to be necessary to ensure that adequate information

Date : 27 January 2022 Signed

Julian Townsend
Executive Director (Operations)

pertaining to ground conditions and coal mining legacy is available to enable appropriate remedial and mitigatory measures to be identified and carried out before building works commence on site. This is in order to ensure the safety and stability of the development, in accordance with paragraphs 183 and 184 of the National Planning Policy Framework and saved policy EN18 of the Adopted Amber Valley Borough Local Plan 2006.

5. a. No development shall commence until:
i. A letter from a competent person confirming that a coal mining risk assessment intrusive investigation did not encounter any coal resources or coal mine features at shallow depth and the ground gas risk does not require further investigation shall be submitted to and accepted in writing by the Local Planning Authority.
ii. Should the coal mining risk assessment intrusive investigation encounter coal resources or coal mine features at shallow depth, a ground gas investigation and risk assessment shall be carried out and a report submitted to and accepted in writing by the Local Planning Authority.
iii. Where the approved risk assessment (required by ii) identifies ground gases posing unacceptable risks, a detailed scheme to address the risks shall be submitted to and accepted in writing by the Local Planning Authority.
b. Any remedial actions required by the report submitted in fulfilment of (iii) above shall be undertaken and documented in a Verification Report which shall be submitted to and accepted in writing by the Local Planning Authority prior to the occupation of any structure.

   Reason: The undertaking of intrusive site investigations, prior to the commencement of development, is considered to be necessary to ensure that adequate information pertaining to ground conditions and coal mining legacy is available to enable appropriate remedial and mitigatory measures to be identified and carried out before building works commence on site. This is in order to ensure the safety and stability of the development, in accordance with paragraphs 183 and 184 of the National Planning Policy Framework and saved policy EN18 of the Adopted Amber Valley Borough Local Plan 2006.

6. Prior to the commencement of work on the foundations to the buildings a scheme indicating proposed floor levels of all buildings, and the relationship of such to the existing dwellings shall have been submitted to and approved by the Local Planning Authority, and the development shall be constructed in accordance with the agreed levels.

Date : 27 January 2022 Signed

Julian Townsend
Executive Director (Operations)

Reason: To safeguard the privacy and amenities of the occupiers of adjoining properties in accordance with policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

7. Prior to any construction above foundations level, a scheme of biodiversity enhancement to include, as a minimum, the incorporation of integrated (inbuilt) features for roosting bats and nesting swifts within the new dwelling shall be submitted to and approved in writing by the Local Planning Authority. The enhancement scheme shall be implemented in accordance with the agreed details as construction proceeds and completed prior to the first occupation of the development.

   Reason: In the interests of ecology and biodiversity in accordance with Saved Policy EN13 of the Adopted Amber Valley Borough Local Plan 2006.

8. No development above ground floor slab level shall take place until there has been submitted to and approved in writing by the Local Planning Authority details and/or samples of the materials and finishes to be used for the external elevations and roof of the proposal, and the development shall be carried out with those materials.

   Reason: To ensure the satisfactory appearance of the completed development in accordance with policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

9. Replacement parking as per the application drawings, shall be provided prior to occupation of the hereby approved dwelling and be maintained as such in perpetuity.

   Reason: To ensure adequate parking to serve the development in accordance with saved policies TP6 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

10. The living accommodation hereby approved in the garage building shall be used as a self-contained unit of occupation, ancillary to the associated main household, and shall not be severed as an independent and unconnected residence.

    Reason: This permission is given in view of the personal circumstances of the applicant. The creation of a dwelling independent of the main household would not normally be permitted on this site due to its relationship to existing dwellings and level of amenity provision in accordance with policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

Date : 27 January 2022 Signed

Julian Townsend
Executive Director (Operations)

11. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any Order revoking and re-enacting that Order) no development relating to Class A, B, C, D, E of Part 1 of Schedule 2 shall be undertaken without the prior written approval of the Local Planning Authority.

    Reason: To protect the character and visual amenities of the locality in accordance with policies EN2, LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

Notes

Attention is drawn to the attached notes:

1 "The applicant is strongly urged to help meet the Government's commitments to achieve net-zero carbon emissions by 2050, and to meeting the NPPF's environmental objective of mitigating and adapting to meet climate change, including moving to a low carbon economy. Therefore, the applicant is strongly urged to include on-site renewable energy generation (e.g. solar panels), the de-carbonising of heating systems (e.g. air-/ground-source heat pumps) and enhanced levels of insulation beyond those required by present building standards."

2 The application site is affected by Public Rights of Way (Footpaths 23 & 24 Ripley on the Derbyshire Definitive Map). The routes must remain unobstructed on their legal alignment at all times and the safety of the public using them must not be prejudiced either during or after development works take place. Further advice can be obtained by calling DCC 01629 533190.

3 Further to condition 5 when undertaking ground gas investigation and designing gas protection measures, reference should be made to the British Standards BS8576 "Guidance on investigations for ground gas" and BS8485 "Code of practice for the design of protective measures for methane and carbon dioxide ground gases for new buildings".

4 Severn Trent Water advise that although our statutory sewer records do not show any public sewers within the area you have specified, there may be sewers that have been recently adopted under, The Transfer Of Sewer Regulations 2011. Public sewers have statutory protection and may not be built close to, directly over or be diverted without consent and you are advised to contact Severn Trent Water to discuss your proposals. Severn Trent will seek to assist you obtaining a solution which protects both the public sewer and the building.

Date : 27 January 2022 Signed

Julian Townsend
Executive Director (Operations)

SWT advise that the Company's observations regarding sewerage are as follows.

Planning Practice Guidance and section H of the Building Regulations 2010 detail surface water disposal hierarchy. The disposal of surface water by means of soakaways should be considered as the primary method. If this is not practical and there is no watercourse is available as an alternative other sustainable methods should also be explored. If these are found unsuitable, satisfactory evidence will need to be submitted, before a discharge to the public sewerage system is considered.

Please note for the use or reuse of sewer connections either direct or indirect to the public sewerage system the applicant will be required to make a formal application to the Company under Section 106 of the Water Industry Act 1991. They may obtain copies of our current guidance notes and application form from either our website (www.stwater.co.uk) or by contacting our Developer Services Team (Tel: 0800 707 6600).

5 DWT advise that there should be no removal of the outbuilding shall take place between 1st March and 31st August inclusive, unless a competent ecologist has undertaken a careful, detailed check for active birds' nests immediately before the work is commenced and provided written confirmation that no birds will be harmed and/or that there are appropriate measures in place to protect nesting bird interest on site. Any such written confirmation should be submitted to the local planning authority.

Reasons for Granting Permission

In granting permission for this development the Borough Council has taken into account all material planning considerations arising from the views of statutory and other consultees and public representations about the application, Government guidance as detailed in the National Planning Policy Framework and the saved policies of the Adopted Amber Valley Borough Local Plan 2006:

LS1 - Sustainability criteria
LS3 - Design
H5 - Housing development outside settlements
H12 - Design and amenity considerations
EN1 - Countryside
EN2 - Green Belt
EN13 - Nature Conservation
EN16 - Pollution

Date : 27 January 2022 Signed

Julian Townsend
Executive Director (Operations)

EN18 - Derelict, Unstable And Contaminated Land
TP1 - Impact on the Transport Network
TP6 - Parking

In detail:

The National Planning Policy Framework (NPPF) is a material consideration in planning decisions. In accordance with Paragraph 38 of the NPPF the local planning authority has approached the decision-making process in a positive way to foster the delivery of sustainable development and has worked proactively with the applicant/agent to secure a development to improve the economic, social and environmental conditions of the area.

The development complies with the provisions of the development plan for the locality and raises no unresolved issues in relation to the location of the site, privacy, amenity, sunlight/daylight, character and design, landscape or heritage features and highway safety.

NOTES

1. **If the applicant is aggrieved by the decision of the Local Planning Authority to refuse planning permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78/79 of the Town and Country Planning Act 1990, within six months of the date of this notice. The Secretary of State has power to allow a longer period for the giving of a notice but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission of the proposed development could not have been granted by the Local Planning Authority or could not have been so granted otherwise that subject to the conditions imposed on them, having regard to the statutory requirements, to the provision of the development order, and to any directions given under the order.**
2. **Cadent Gas own and operate the gas infrastructure within the area of your development. Contact Cadent's Plant Protection Team for approval before carrying out any works on site and ensuring requirements are adhered to. Email plantprotection@cadentgas.com. Alternatively you can register on www.beforeyoudig.nationalgrid.com**
3. **If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County/District in which the land is situated, a purchase notice requiring that council to purchase his interests in the land in accordance with the provisions of Section 180 of the Town and Country Planning Act 1990.**
4. **In certain circumstances a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Sections 137 and 138 of the Town and Country Planning Act 1990.**
5. **This permission relates to planning controls only. Any other statutory consent necessary including submission under the building regulations must be obtained from the appropriate Authority.**
6. **If it is intended to give notice of appeal in accordance with Paragraph 1 above, this should be done on the appropriate form obtainable from:-**

   The Planning Inspectorate
   3/23 Hawk Wing, Temple Quay House, 2 The Square Temple Quay Bristol BS1 6PN
   (Tel. No. 0117 372 8000) www.planning-inspectorate.gov.uk

7. **If the condition of consent or reasons for refusal, make reference to a Division of the Department, the appellant may, if he so wishes, require the attendance of a representative from the Department by notification to the Local Planning Authority. Such a representative would not be liable to cross-examination on questions of departmental policy, but only on matters of fact and expert opinion in relation to the appeal site.**
8. **Where a vehicle is habitually drive across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may after being given due notice by the appropriate authority, be required to pay the cost of construction of a carriage crossing or the strengthening of a footway, as the authority considers it necessary, or may be required to comply with conditions imposed by the authority.**
9. **In the case of building or premises to which the public are to be admitted whether on payment or otherwise, attention is drawn to Sections 4 and 7 of the Chronically Sick and Disabled Persons Act 1970 and the associated Code of Practice (BS5810:1979). In the case of premises to which the Offices, Shops and Railway Premises Act 1963 or the Factories Act 1962 applies, attention is drawn to Sections 7 and 8A of the Chronically Sick and Disabled Persons Act and to the same code of practice. In the case of Educational Buildings, attention is drawn to Sections 7 and 8 of the Chronically Sick and Disabled Persons Act 1978 and to the Design Note 18 "Access for the Physically Disabled Educational Buildings".**
10. **If the development site is crossed by an electric line or is within 15 metres (50ft) of the nearest part of a line (measure horizontally along the ground) or if there is reason to believe that it may be crossed by an underground electric cable, the applicant should contact the Electricity Board to ascertain if and what special safety precautions are necessary.**
11. **The grant of planning permission does not entitle developers to obstruct a public right of way. Development on so far as it affects a right of way, should not be started, and the right of way should be kept open for public use, until the necessary order under Section 247 and 257 of the Town and Country Planning Act 1990 for the diversion of extinguishment of the right of way has been made and confirmed.**
