TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2020/1004**) which was valid on the 4 November 2020 for permission for **Detached four bedroom dwelling at Land Adjacent To 38 Waingroves Road Waingroves Road Waingroves**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **GRANTED subject to the following conditions:**

Conditions/Reasons

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

   Reason: To comply with the requirements of Section 91(1) of the Town and Country Planning Act, 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

Date : 14 February 2022

Signed

Julian Townsend
Executive Director (Operations)

2. The development shall be carried out in accordance with the details contained in the submitted plans listed below and with the conditions attached to this consent:

   Amended Site Location Plan, Block Plan, Floor Plans and Elevations - drawing HGD20-134-1.1 Revision C

   Reason: In order to define the permission.

3. The existing access to Waingroves Road shall be modified in accordance with the application drawings, laid out, constructed and provided with visibility sightlines extending from a point 2.4m from the carriageway edge, measured along the centre line of the access, to the extremities of the site frontage abutting the highway in each direction. The land in advance of the sightlines shall be maintained in perpetuity clear of any object greater than 1m in height (0.6m in the case of vegetation) relative to the adjoining nearside carriageway channel level.

   Reason: In the interests of highway safety in accordance with Policy TP1 of the Adopted Amber Valley Borough Local Plan 2006.

4. The access, the subject of condition 3, shall not be taken into use until 2m x 2m x 45º pedestrian intervisibility splays have been provided on either side of the access at the back of the footway, the splay area being maintained throughout the life of the development clear of any object greater than 0.6m in height relative to footway level.

   Reason: In the interests of highway safety in accordance with Policy TP1 of the Adopted Amber Valley Borough Local Plan 2006.

5. The premises, the subject of the application, shall not be occupied until space has been provided within the application site in accordance with the application drawings for the parking of residents vehicles, laid out, surfaced and maintained throughout the life of the development free from any impediment to its designated use.

   Reason: In the interests of highway safety in accordance with Policy TP1 of the Adopted Amber Valley Borough Local Plan 2006.

6. There shall be no gates or other barriers located across the entire frontage of the property.

   Reason: In the interests of highway safety in accordance with Policy TP1 of the Adopted Amber Valley Borough Local Plan 2006.

Date : 14 February 2022 Signed

Julian Townsend
Executive Director (Operations)

7. No development shall take place to the external elevations or roof of the hereby approved dwelling until there has been submitted to and approved in writing by the Local Planning Authority details and/or samples of the materials and finishes to be used for the external elevations and roof of the proposal, and the development shall be carried out with those materials.

   Reason: To ensure the satisfactory appearance of the completed development in accordance with policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

8. No work shall commence to the boundaries of the site until full details of the proposed treatment of the boundaries of the site has been submitted to and approved by the Local Planning Authority. Any agreed scheme shall be implemented in full in accordance with a phasing scheme prior to the occupation of the development.

   Reason: To ensure both the satisfactory appearance of the completed development and an adequate level of amenity for the proposed dwellings in accordance with policy LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

9. Prior to occupation of the hereby approved dwelling, a landscaping scheme shall be submitted to and be approved by the Local Planning Authority. Any trees or plants shall be planted in accordance with the agreed landscaping scheme in the first planting season and any trees/plants which within a period of five years from the completion of the development die, are removed, or become seriously damaged or diseased, shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority gives written consent to any variation.

   Reason: To ensure the satisfactory overall appearance of the completed development and to help assimilate the new development into its surroundings in accordance with policy H12 of the Adopted Amber Valley Borough Local Plan 2006.

10. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any Order revoking and re-enacting that Order) no development relating to Class A, B, C, D, E of Part 1 of Schedule 2 (erection of extensions, porches, outbuildings and roof alterations) shall be undertaken without the prior written approval of the Local Planning Authority.

    Reason: To protect the character and visual amenities of the locality in accordance with policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

Notes

Attention is drawn to the attached notes:

1 The applicant/developer must ensure the building is to be constructed outside the 3 metre easement from the watercourse/culvert and the watercourse/culvert remains accessible for maintenance purposes and also ensure that no separate application for land drainage consent is necessary from the County Council.

2 The Borough Council's Trees and Conservation Officer advises that if any further facilitation pruning or tree work is required to first notify Tree officer/ planning department prior to any works taking place. It is the applicant/developers responsibility to ensure any works to trees outside of their ownership has the appropriate consent from the land owner and is notified of the tree works that are required.

3 a. Pursuant to Section 184 of the Highways Act 1980 and Section 86(4) of the New Roads and Streetworks Act 1991 prior notification shall be given to the Department of Economy, Transport & Environment at County Hall, Matlock regarding access works within the highway. Information, and relevant application forms, regarding the undertaking of access works within highway limits is available via the County Council's website

https://www.derbyshire.gov.uk/transport-roads/roads-traffic/licencesenforcements/vehicular-access/vehicle-accesses-crossovers-and-dropped-kerbs.aspx

E-mail highways.hub@derbyshire.gov.uk or

Telephone Call Derbyshire on 01629 533190.

b. The Highway Authority recommends that the first 5m of the proposed access driveway should not be surfaced with a loose material (i.e. unbound chippings or gravel etc). In the event that loose material is transferred to the highway and is regarded as a hazard or nuisance to highway users, the Authority reserves the right to take any necessary action against the householder.

Executive Director (Operations)

c. Pursuant to Section 163 of the Highways Act 1980, where the site curtilage slopes down towards the public highway, measures shall be taken to ensure that surface water runoff from within the site is not permitted to discharge across the footway margin. This usually takes the form of a dish channel or gulley laid across the access immediately behind the back edge of the highway, discharging to a drain or soakaway within the site.

d. Pursuant to Sections 149 and 151 of the Highways Act 1980, steps shall be taken to ensure that mud or other extraneous material is not carried out of the site and deposited on the public highway. Should such deposits occur, it is the applicant's responsibility to ensure that all reasonable steps (e.g. street sweeping) are taken to maintain the roads in the vicinity of the site to a satisfactory level of cleanliness.

Reasons for Granting Permission

In granting permission for this development the Borough Council has taken into account all material planning considerations arising from the views of statutory and other consultees and public representations about the application, Government guidance as detailed in the National Planning Policy Framework and the saved policies of the Adopted Amber Valley Borough Local Plan 2006:

LS1 - Sustainability criteria
LS3 - Design
H3 - Housing development within settlements
H12 - Design and amenity considerations
TP1 - Impact on the Transport Network
TP6 - Parking
EN7 - Landscape Character Areas
EN8 - Landscape Features
EN18 - Derelict, Unstable And Contaminated Land
RNH2 - Other Sites For New Housing Development

In detail:

The National Planning Policy Framework (NPPF) is a material consideration in planning decisions. In accordance with Paragraph 38 of the NPPF the local planning authority has approached the decision making process in a positive way to foster the delivery of sustainable development and has worked proactively with the applicant/agent to secure a development to improve the economic, social and environmental conditions of the area.

The development complies with the provisions of the development plan for the locality and raises no unresolved issues in relation to the location of the site, privacy, amenity, sunlight/daylight, character and design, landscape or heritage features and highway safety.

NOTES

1. **If the applicant is aggrieved by the decision of the Local Planning Authority to refuse planning permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78/79 of the Town and Country Planning Act 1990, within six months of the date of this notice. The Secretary of State has power to allow a longer period for the giving of a notice but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission of the proposed development could not have been granted by the Local Planning Authority or could not have been so granted otherwise that subject to the conditions imposed on them, having regard to the statutory requirements, to the provision of the development order, and to any directions given under the order.**
2. **Cadent Gas own and operate the gas infrastructure within the area of your development. Contact Cadent's Plant Protection Team for approval before carrying out any works on site and ensuring requirements are adhered to. Email plantprotection@cadentgas.com. Alternatively you can register on www.beforeyoudig.nationalgrid.com**
3. **If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County/District in which the land is situated, a purchase notice requiring that council to purchase his interests in the land in accordance with the provisions of Section 180 of the Town and Country Planning Act 1990.**
4. **In certain circumstances a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Sections 137 and 138 of the Town and Country Planning Act 1990.**
5. **This permission relates to planning controls only. Any other statutory consent necessary including submission under the building regulations must be obtained from the appropriate Authority.**
6. **If it is intended to give notice of appeal in accordance with Paragraph 1 above, this should be done on the appropriate form obtainable from:-**

   The Planning Inspectorate
   3/23 Hawk Wing, Temple Quay House, 2 The Square Temple Quay Bristol BS1 6PN
   (Tel. No. 0117 372 8000) www.planning-inspectorate.gov.uk

7. **If the condition of consent or reasons for refusal, make reference to a Division of the Department, the appellant may, if he so wishes, require the attendance of a representative from the Department by notification to the Local Planning Authority. Such a representative would not be liable to cross-examination on questions of departmental policy, but only on matters of fact and expert opinion in relation to the appeal site.**
8. **Where a vehicle is habitually drive across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may after being given due notice by the appropriate authority, be required to pay the cost of construction of a carriage crossing or the strengthening of a footway, as the authority considers it necessary, or may be required to comply with conditions imposed by the authority.**
9. **In the case of building or premises to which the public are to be admitted whether on payment or otherwise, attention is drawn to Sections 4 and 7 of the Chronically Sick and Disabled Persons Act 1970 and the associated Code of Practice (BS5810:1979). In the case of premises to which the Offices, Shops and Railway Premises Act 1963 or the Factories Act 1962 applies, attention is drawn to Sections 7 and 8A of the Chronically Sick and Disabled Persons Act and to the same code of practice. In the case of Educational Buildings, attention is drawn to Sections 7 and 8 of the Chronically Sick and Disabled Persons Act 1978 and to the Design Note 18 "Access for the Physically Disabled Educational Buildings".**
10. **If the development site is crossed by an electric line or is within 15 metres (50ft) of the nearest part of a line (measure horizontally along the ground) or if there is reason to believe that it may be crossed by an underground electric cable, the applicant should contact the Electricity Board to ascertain if and what special safety precautions are necessary.**
11. **The grant of planning permission does not entitle developers to obstruct a public right of way. Development on so far as it affects a right of way, should not be started, and the right of way should be kept open for public use, until the necessary order under Section 247 and 257 of the Town and Country Planning Act 1990 for the diversion of extinguishment of the right of way has been made and confirmed.**
