TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2021/0714**) which was valid on the 22 June 2021 for permission for **Change of use of first floor from ancillary storage into a residential flat. External staircase to the rear. Retrospective door to first floor rear elevation at Vivianos Pizza 187 Nottingham Road Somercotes**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **REFUSED for the following reasons:**

Conditions/Reasons

1. By virtue of a proposed external staircase and upper walking platform as the sole means of entry and exit to the proposed residential flat, and the subsequent comings and goings, there would be direct overlooking and subsequent loss of privacy to adjacent neighbouring occupiers, including to neighbouring garden areas and habitable living accommodation. The harm is exacerbated by a 4.6m long elevated walking platform and staircase extending an additional 3.6m adjacent to neighbouring gardens.

Date : 24 February 2022

Executive Director (Operations)

The proposed arrangement adversely impacts on the amenity and privacy of the adjacent residential occupiers, contrary to Policy H12 (d) of the Adopted Amber Valley Borough Local Plan 2006; and would not protect or provide for a high standard of amenity for the neighbouring occupiers, contrary to the requirements of Paragraph 130 (f) of the National Planning Policy Framework.

The development is therefore not sustainable for the purposes of Paragraphs 8 (b) and 11 d (ii) of the National Planning Policy Framework since the adverse impacts on residential amenity would significantly and demonstrably outweigh the limited benefits of a single dwelling, when assessed against the policies in the framework taken as a whole.

Notes

Attention is drawn to the attached notes:

In detail:

The processing of this planning application has been undertaken in accordance with the requirements of the National Planning Policy Framework (NPPF). Dialogue between the applicant and Local Planning Authority has been undertaken to try and address the issues associated with the proposal. This includes the request for amended plans/additional information and allowing a significant delay in the determination of the application to give the applicant the opportunity to address the concerns. However, the issues have failed to be resolved.
