Rear Elevation

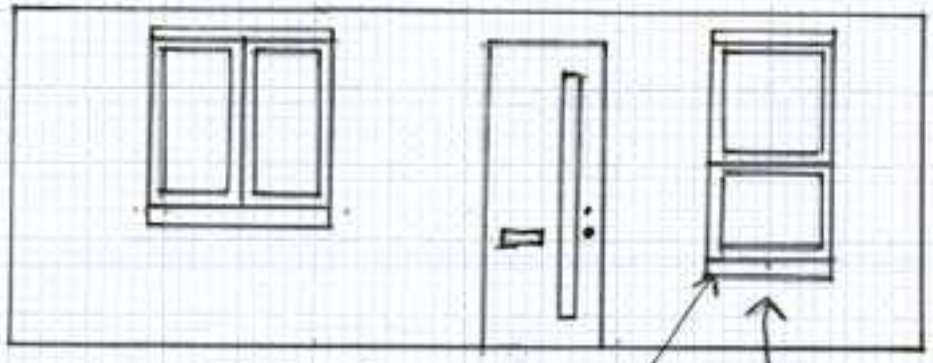

Middle sash window to rear to be replaced with French door in white uPVC, fully glazed, outward opening

existing lintels

existing lintels

Front Elevation

existing lintel

Existing sash windows to be replaced with tilt & turn style or similar in white uPVC to match existing dwellings

Existing windows are white uPVC, double glazed sash style. Proposals will replace with same materials with aim of being visually similar to sash-style but with different opening mechanism

Scale: 1:50
