Proposal: Creation of a naturalistic wildlife pond together with associated excavation, pond formation, aquatic and marginal planting, timber structures and ladders.
Location: Postern Hill Farm Over Lane Hazelwood Belper Derbyshire DE56 4AG

Dear Laura
Thank you for consulting on this application. The proposed development area lies within the area of the Postern Deer Park, of post-medieval date, the outline of which can be seen in the parish boundary. Though this application should have been accompanied by suitable documentation as per policy HE5: para 1 of NPPF, in this instance I have enough information to determine that there will be no below ground archaeological impact and I have no objection.
Best regards
Reuben
