Erection of Agricultural Building**Are you a councillor?**No**Do you want the comment you are about to submit to be shown on our website?**

[redacted]

addres[redacted]**ame of organisation (if applicable):**Peak and Northern Footpaths Society**Do you wish to object?**Yes**Grounds for objection:**(i) It is essential that the applicant contacts the county council's rights of way staff to determine the exact legal location of Belper Footpath 7 in the vicinity of the proposed development. I feel that it is possbile that the proposed building would obstruct at least part of the legal width of the path
(ii) Even in the building does not actually obstruct the path, the documents show that the public would be constrained to walk between the wall of the building and the boundary fence/hedge of the field and the wall of the house. This would be unpleasant, and the hedge could easily obstruct the passage of walkers.**General comments:**
