TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2021/1194**) which was valid on the 19 November 2021 for permission for **Outline planning permission for the erection of a dwelling house and garaging with all matters reserved apart from access at Land At Yew Tree Farm Woodside Morley**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **REFUSED for the following reasons:**

Conditions/Reasons

1. The proposal, by virtue of being new residential development on greenfield land, and which does not constitute limited infilling in a village or limited infilling or the partial or complete redevelopment of previously developed sites, represents inappropriate development within Green Belt which by definition would be harmful to the openness and function of the Green Belt and no 'Very Special Circumstances' have been demonstrated which would outweigh the harm to justify a departure from Green Belt Policy. It is therefore considered that the proposal is contrary to Part 13 of the National Planning Policy Framework which seeks to only permit appropriate development within the Green Belt. The proposal fails to meet the environmental objective of sustainability as set out in paragraph 8 of the National Planning Policy Framework. The proposed harm identified results in a clear reason for refusing the application in accordance with paragraph 11 d) i of the NPPF.

Notes

Attention is drawn to the attached notes:

In detail:

The processing of this planning application has been undertaken in accordance with the requirements of the National Planning Policy Framework (NPPF). Dialogue between the applicant and Local Planning Authority has been undertaken to try and address the issues associated with the proposal. This includes the request for amended plans/additional information, in order to address highway and tree matters, and allowing a delay in the determination of the application to give the applicant the opportunity to address the concerns. However, the issue relating to the principle of development, has failed to be resolved.

Date : 1 December 2022

Signed
