TOWN AND COUNTRY PLANNING ACT 1990

(PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990)

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2022/0573**) which was valid on the 8 July 2022 for permission for **Replace all the windows to the grade II listed farmhouse at Park Farm at Park Farm Mugginton Lane End Weston Underwood**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) - **NOTICE IS HEREBY GIVEN** - that **LISTED BUILDING CONSENT** for the proposed development is **REFUSED for the following reasons:**

Conditions/Reasons

1. The proposed replacement of windows are highly inappropriate and would result in an unsatisfactory appearance by virtue of their detailed design and appearance, including glazing thickness, casement details, proportions and glazing bars, as these would result in a high level of harm to the overall significance and special architectural and historic interest of this listed building

It is concluded that the proposed development would not satisfy saved policy EN24 of the Amber Valley Local Plan. The harm to this designated heritage asset would be 'less than substantial' as defined in part 16 of the NPPF. The proposal has insignificant public benefit when weighed against the harm the proposal would have on the heritage asset and without sufficient justification. The proposal does not therefore represent sustainable development and the application of policies in the National Planning Policy Framework that protect areas or assets of particular importance provides a clear reason for refusing the development proposed.

Notes

Attention is drawn to the attached notes:

In detail:

The processing of this planning application has been undertaken in accordance with the requirements of the National Planning Policy Framework (NPPF). Dialogue between the applicant and Local Planning Authority has been undertaken to try and address the issues associated with the proposal. This includes the request for amended plans/additional information and allowing a delay in the determination of the application to give the applicant the opportunity to address the concerns, however, the issues have failed to be resolved.

NOTES

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse planning permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78/79 of the Town and Country Planning Act 1990, within six months of the date of this notice. The Secretary of State has power to allow a longer period for the giving of a notice but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission of the proposed development could not have been granted by the Local Planning Authority or could not have been so granted otherwise that subject to the conditions imposed on them, having regard to the statutory requirements, to the provision of the development order, and to any directions given under the order.
2. If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County/District in which the land is situated, a purchase notice requiring that council to purchase his interests in the land in accordance with the provisions of Section 180 of the Town and Country Planning Act 1990.
3. In certain circumstances a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Sections 137 and 138 of the Town and Country Planning Act 1990.
4. This permission relates to planning controls only. Any other statutory consent necessary including submission under the building regulations must be obtained from the appropriate Authority.
5. If it is intended to give notice of appeal in accordance with Paragraph 1 above, this should be done on the appropriate form obtainable from:-

6. If the condition of consent or reasons for refusal, make reference to a Division of the Department, the appellant may, if he so wishes, require the attendance of a representative from the Department by notification to the Local Planning Authority. Such a representative would not be liable to cross-examination on questions of departmental policy, but only on matters of fact and expert opinion in relation to the appeal site.

10. The grant of planning permission does not entitle developers to obstruct a public right of way. Development on so far as it affects a right of way, should not be started, and the right of way should be kept open for public use, until the necessary order under Section 247 and 257 of the Town and Country Planning Act 1990 for the diversion of extinguishment of the right of way has been made and confirmed.
