3. Prior to works to the elevation of the hereby approved development, full details of the timber cladding, matching opening shutter and garage doors, including fixing method, joint detail and finish, shall be submitted and agreed in writing with the Local Planning Authority. The development shall then be carried out in accordance with the agreed details.

   Reason: To ensure the works are carried out in a way which respects the special appearance and character of the Listed Building in accordance with policy EN24 of the Adopted Amber Valley Borough Local Plan 2006.

4. Prior to the installation of the timber frame, full details of the finish to the timber frame, shall be submitted and agreed in writing with the Local Planning Authority. The development shall then be carried out in accordance with the agreed details.

   Reason: To ensure the works are carried out in a way which respects the special appearance and character of the Listed Building, Conservation Area and World Heritage Site in accordance with policies LS3, EN24, EN27 and EN29 of the Adopted Amber Valley Borough Local Plan 2006.

5. Notwithstanding the submitted information, prior to the installation of the roof, full details of the proposed roof material, shall be submitted and agreed in writing with the Local Planning Authority. The development shall then be carried out in accordance with the agreed details.

   Reason: To ensure the works are carried out in a way which respects the special appearance and character of the Listed Building, Conservation Area and World Heritage Site in accordance with policies LS3, EN24, EN27 and EN29 of the Adopted Amber Valley Borough Local Plan 2006.

6. Prior to works to the elevations, full details of the coursed Derbyshire gritstone, including face finish, coursing depth(s), joint profile and texture, shall be submitted and agreed in writing with the Local Planning Authority. The development shall then be carried out in accordance with the agreed details.

   Reason: To ensure the works are carried out in a way which respects the special appearance and character of the Listed Building, Conservation Area and World Heritage Site in accordance with policies LS3, EN24, EN27 and EN29 of the Adopted Amber Valley Borough Local Plan 2006.

7. Prior to any repair works on the pigsty, full details of the repairs, including gritstone/brickwork, capping, joint profile and texture, shall be submitted and agreed in writing with the Local Planning Authority. The repairs shall then be carried out in accordance with the agreed details.

   Reason: To ensure the works are carried out in a way which respects the special appearance and character of the Listed Building, Conservation Area and World Heritage Site in accordance with policies LS3, EN24, EN27 and EN29 of the Adopted Amber Valley Borough Local Plan 2006.

8. The Tree Protection measures shown on the Amended Layout Plans and Elevations (Rev D) received on the 23rd January 2023 shall be implemented in full prior to the works commencing on site and remain for the duration of the construction phase of the development. If the event that ground around the tree is to be resurfaced, an Arboricultural Method Statement shall be submitted for approval prior to commencement of the resurfacing work, and the work shall be undertaken in accordance with the agreed details

   Reason: To prevent unnecessary damage to existing trees in accordance with policy EN8 of the Adopted Amber Valley Borough Local Plan 2006

Notes

Attention is drawn to the attached notes:

1 "The applicant is strongly urged to help meet the Government's commitments to achieve net-zero carbon emissions by 2050, and to meeting the NPPF's environmental objective of mitigating and adapting to meet climate change, including moving to a low carbon economy. Therefore, the applicant is strongly urged to include on-site renewable energy generation (e.g. solar panels), the de-carbonising of heating systems (e.g. air-/ground-source heat pumps) and enhanced levels of insulation beyond those required by present building standards."

2 Development Low Risk Area - Standing Advice

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

Reasons for Permission

In granting permission for this development, the Borough Council has taken into account all material planning considerations arising from the views of statutory and other consultees and public representations about the application, Government guidance as detailed in the National Planning Policy Framework and relevant Neighbourhood Plans, and saved policies of the Adopted Amber Valley Borough Local Plan 2006;

H12 - Design and amenity considerations
LS3 - Design
EN24 - Listed Buildings
EN27 - Conservation Areas
EN29 - Derwent Valley Mills World Heritage Site
EN18 - Derelict, Unstable And Contaminated Land
TP1 - Impact on the Transport Network
TP6 - Parking

In detail:

The development complies with the provisions of the development plan for the locality and raises no unresolved issues in relation to privacy, amenity, sunlight/daylight, character and design, landscape or heritage features and highway safety.

The National Planning Policy Framework (NPPF) is a material consideration in planning decisions. In accordance with Paragraph 38 of the NPPF the local planning authority has approached the decision-making process in a positive way to foster the delivery of sustainable development and has worked proactively with the applicant/agent to secure a development to improve the economic, social and environmental conditions of the area.

NOTES

1. **If the applicant is aggrieved by the decision of the Local Planning Authority to refuse planning permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78/79 of the Town and Country Planning Act 1990, within twelve weeks of the date of this notice. The Secretary of State has power to allow a longer period for the giving of a notice but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission of the proposed development could not have been granted by the Local Planning Authority or could not have been so granted otherwise that subject to the conditions imposed on them, having regard to the statutory requirements, to the provision of the development order, and to any directions given under the order.**
2. **If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County/District in which the land is situated, a purchase notice requiring that council to purchase his interests in the land in accordance with the provisions of Section 180 of the Town and Country Planning Act 1990.**
3. **In certain circumstances a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Sections 137 and 138 of the Town and Country Planning Act 1990.**
4. **This permission relates to planning controls only. Any other statutory consent necessary including submission under the building regulations must be obtained from the appropriate Authority.**
5. **If it is intended to give notice of appeal in accordance with Paragraph 1 above, this should be done on the appropriate form obtainable from:-**

   The Planning Inspectorate
   3/23 Hawk Wing, Temple Quay House,
   2 The Square
   Temple Quay
   Bristol
   BS1 6PN
   (Tel. No. 0117 372 8000)
   www.planning-inspectorate.gov.uk

6. **If the condition of consent or reasons for refusal, make reference to a Division of the Department, the appellant may, if he so wishes, require the attendance of a representative from the Department by notification to the Local Planning Authority. Such a representative would not be liable to cross-examination on questions of departmental policy, but only on matters of fact and expert opinion in relation to the appeal site.**
7. **Where a vehicle is habitually drive across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may after being given due notice by the appropriate authority, be required to pay the cost of construction of a carriage crossing or the strengthening of a footway, as the authority considers it necessary, or may be required to comply with conditions imposed by the authority.**
8. **In the case of building or premises to which the public are to be admitted whether on payment or otherwise, attention is drawn to Sections 4 and 7 of the Chronically Sick and Disabled Persons Act 1970 and the associated Code of Practice (BS5810:1979). In the case of premises to which the Offices, Shops and Railway Premises Act 1963 or the Factories Act 1962 applies, attention is drawn to Sections 7 and 8A of the Chronically Sick and Disabled Persons Act and to the same code of practice. In the case of Educational Buildings, attention is drawn to Sections 7 and 8 of the Chronically Sick and Disabled Persons Act 1978 and to the Design Note 18 "Access for the Physically Disabled Educational Buildings".**
9. **If the development site is crossed by an electric line or is within 15 metres (50ft) of the nearest part of a line (measure horizontally along the ground) or if there is reason to believe that it may be crossed by an underground electric cable, the applicant should contact the Electricity Board to ascertain if and what special safety precautions are necessary.**
10. **The grant of planning permission does not entitle developers to obstruct a public right of way. Development on so far as it affects a right of way, should not be started, and the right of way should be kept open for public use, until the necessary order under Section 247 and 257 of the Town and Country Planning Act 1990 for the diversion of extinguishment of the right of way has been made and confirmed.**
