TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2023/0244**) which was valid on the 23 March 2023 for permission for **Proposed Single Storey Rear Extension at 5 Ford Street Belper Derbyshire**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **REFUSED for the following reasons:**

Conditions/Reasons

1. The proposal does not constitute a sustainable form of development since it is contrary to saved policy H12 of the Amber Valley Adopted Local Plan, and the Council's Supplementary Planning Document for residential development which require that proposals for extensions to dwellings, do not unduly affect the amenities or privacy of adjoining or adjacent properties, including through loss of light, overshadowing or overlooking. This is consistent with part 12 of the NPPF in terms of its emphasis for good design and protecting residential amenity.

   The extension, by virtue of its siting, and height of 3.5m on the boundary and within close proximity of the adjoining dwelling, would result in a detrimental impact to the neighbouring occupiers' amenity through significant loss of light and overbearing impact to the dining room.

Notes

Attention is drawn to the attached notes:

In detail:

The processing of this planning application has been undertaken in accordance with the requirements of the National Planning Policy Framework (NPPF). Dialogue between the applicant and Local Planning Authority has been undertaken to try and address the issues associated with the proposal. This includes the request for amended plans/additional information. Allowing a delay in the determination of the application to give the applicant the opportunity to address the concerns, however, the issues have failed to be resolved.
