TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2023/0268**) which was valid on the 4 April 2023 for permission for **Proposed three bedroom bungalow and detached garage at Land To Rear Of 23 Wilmot Street Wilmot Street Heanor**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **GRANTED subject to the following conditions:**

Conditions/Reasons

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

   Reason: To comply with the requirements of Section 91(1) of the Town and Country Planning Act, 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

2. The development hereby permitted shall be carried out only in accordance with the details and specifications shown on the drawings:
   Layout, Elevations and Location Plan, Drg no 1266/001 Rev G
   received on 4th April 2023
   Site Layout Plan, Drg no 1266/0024
   received on 6th July 2023

Date : 7 September 2023

Signed

Simon Gladwin
Executive Director (Operations)

Reason: To ensure that the development takes the form envisaged by the Local Planning Authority when determining the application in accordance with policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

3. The facing and roofing materials to be used in the development hereby permitted shall comprise the following materials:

   Elevations: Ibstock Hanchurch mixture facing brick above DPC Blue soldier course
   Roof: Marley modern concrete tiles in smooth grey
   as set out within the application form received on 28th March 2023

   Reason: To ensure the satisfactory appearance of the completed development in accordance with policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

4. The proposed development shall have a finished floor level of 118.750 AOD as annotated on the Site Layout Plan, Drg no 1266/002 received on 6th July 2023. Any alterations to this shall be subject to the written approval of the Local Planning Authority prior to the commencement of work.

   Reason: To safeguard the privacy and amenities of the occupiers of adjoining properties in accordance with policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

5. This permission relates to the erection of single storey development only.

   Reason: To define the terms of this permission and for the avoidance of any doubt and in the interests of the visual amenity and character of the locality in accordance with policy LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

6. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2008 (or any Order revoking and re-enacting that Order) no development relating to Class A of Part 1 of Schedule 2 (erection of extensions) shall be undertaken without the prior written approval of the Local Planning Authority.

   Reason: To protect the character and visual amenities of the locality in accordance with policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan 2006.

7. Prior to works above ground level, a Biodiversity Enhancement Plan shall be submitted to and approved in writing by the Local Planning Authority. The Plan shall

Date : 7 September 2023

Signed S Gladwin

Simon Gladwin
Executive Director (Operations)

include two or more of the following measures which shall be implemented in full and maintained thereafter:
- 1x External Bat Box
- 1x Integral Bat Brick
- 1x External Bird Box
- 1x Integral Universal Nest Brick
- 1x Insect Brick / House
- Hedgehog gaps in fencing (130 mm x 130 mm)
- Native and wildlife-attracting planting i.e., trees, hedgerow, shrubs and / or herbaceous perennials to provides resources for pollinators, birds and other wildlife.

Reason: In the interests of Biodiversity and in accordance with Policy EN13 of the Adopted Amber Valley Local Plan 2006.

8. The dwelling, hereby approved, shall not be occupied until space has been provided within the application site in accordance with the Site Layout Plan, Drg no 1266/002 received on 6th July 2023, for the parking and manoeuvring of residents vehicles, laid out, surfaced and maintained throughout the life of the development free from any impediment to its designated use.

Reason: To ensure that adequate off-street parking provision is made and to enable vehicles to enter and leave the site in a forward direction, in the interest of highway safety and in accordance with Policy TP1 and TP6 of the Adopted Amber Valley Local Plan 2016 and Paragraph 110 of the National Planning Policy Framework 2021.

Notes

Attention is drawn to the attached notes:

1 The proposed development lies within an area that has been defined by the Coal Authority as containing potential hazards arising from former coal mining activity. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological features (fissures and break lines); mine gas and previous surface mining sites. Although such hazards are seldom readily visible, they can often be present and problems can occur in the future, particularly as a result of development taking place.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required (for example the need for gas protection measures within the foundations), be submitted alongside any subsequent application for Building Regulations approval (if relevant).

Date : 7 September 2023 Signed

Simon Gladwin
Executive Director (Operations)

Any form of development over or within the influencing distance of a mine entry can be dangerous and raises significant safety and engineering risks and exposes all parties to potential financial liabilities. As a general precautionary principle, the Coal Authority considers that the building over or within the influencing distance of a mine entry should wherever possible be avoided. In exceptional circumstance where this is unavoidable, expert advice must be sought to ensure that a suitable engineering design is developed and agreed with regulatory bodies which takes into account of all the relevant safety and environmental risk factors, including gas and mine-water. Your attention is drawn to the Coal Authority Policy in relation to new development and mine entries available at:
www.gov.uk/government/publications/building-on-or-within-the-influencing-distance-of-mine-entries

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires a Coal Authority Permit. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain a Coal Authority Permit for such activities is trespass, with the potential for court action.

Property-specific summary information on past, current and future coal mining activity can be obtained from: www.groundstability.com or a similar service provider.

If any coal mining features are unexpectedly encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848. Further information is available on the Coal Authority website at:
www.gov.uk/government/organisations/the-coal-authority

2 The council will encourage the developers to help to meet the Government's commitments to achieve net-zero carbon emissions by 2050, and to meet the NPPF's environmental objective of mitigating and adapting to climate change, including moving to a low carbon economy, through the inclusion of on-site renewable energy generation, the de-carbonising of heating systems and enhanced levels of insulation.

3 If required, a Party Wall Agreement should be put into place prior to any works commencing.

4 There is potential for tree roots from an adjacent tree within the site and adequate protection to the root zone should be applied to prevent damage. The applicant is

Date : 7 September 2023

Signed

Simon Gladwin
Executive Director (Operations)

advised to ensure adequate protection for the root zone in the format of BS5837:2012 'Trees in relation to design, demolition and construction' - Recommendations.

5 The applicant is advised to investigate the disposal of all surface water from the development to either an appropriate system of soakaways or separate surface water drainage, and not to discharge into the foul sewerage system without the prior approval of Severn Trent Water Ltd.

Reasons for Granting Permission

In granting permission for this development the Borough Council has taken into account all material planning considerations arising from the views of statutory and other consultees and public representations about the application, Government guidance as detailed in the National Planning Policy Framework and the saved policies of the Adopted Amber Valley Borough Local Plan 2006:

In detail:

The National Planning Policy Framework (NPPF) is a material consideration in planning decisions. In accordance with Paragraph 38 of the NPPF the local planning authority has approached the decision making process in a positive way to foster the delivery of sustainable development and has worked proactively with the applicant/agent to secure a development to improve the economic, social and environmental conditions of the area.

The development complies with the provisions of the development plan for the locality and raises no unresolved issues in relation to the location of the site, privacy, amenity, sunlight/daylight, character and design, landscape or heritage features and highway safety.

Date : 7 September 2023 Signed

Simon Gladwin
Executive Director (Operations)

NOTES

1. **If the applicant is aggrieved by the decision of the Local Planning Authority to refuse planning permission or approval for the proposed development or to grant permission or approval subject to conditions, he may appeal to the Secretary of State for the Environment in accordance with Section 78/79 of the Town and Country Planning Act 1990, within six months of the date of this notice. The Secretary of State has power to allow a longer period for the giving of a notice but will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that permission of the proposed development could not have been granted by the Local Planning Authority or could not have been so granted otherwise that subject to the conditions imposed on them, having regard to the statutory requirements, to the provision of the development order, and to any directions given under the order.**
2. **Cadent Gas own and operate the gas infrastructure within the area of your development. Contact Cadent's Plant Protection Team for approval before carrying out any works on site and ensuring requirements are adhered to. Email plantprotection@cadentgas.com. Alternatively you can register on www.beforeyoudig.nationalgrid.com**
3. **If permission to develop land is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council of the County/District in which the land is situated, a purchase notice requiring that council to purchase his interests in the land in accordance with the provisions of Section 180 of the Town and Country Planning Act 1990.**
4. **In certain circumstances a claim may be made against the Local Planning Authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Sections 137 and 138 of the Town and Country Planning Act 1990.**
5. **This permission relates to planning controls only. Any other statutory consent necessary including submission under the building regulations must be obtained from the appropriate Authority.**
6. **If it is intended to give notice of appeal in accordance with Paragraph 1 above, this should be done on the appropriate form obtainable from:-**

   The Planning Inspectorate
   3/23 Hawk Wing, Temple Quay House, 2 The Square Temple Quay Bristol BS1 6PN
   (Tel. No. 0117 372 8000) www.planning-inspectorate.gov.uk

7. **If the condition of consent or reasons for refusal, make reference to a Division of the Department, the appellant may, if he so wishes, require the attendance of a representative from the Department by notification to the Local Planning Authority. Such a representative would not be liable to cross-examination on questions of departmental policy, but only on matters of fact and expert opinion in relation to the appeal site.**
8. **Where a vehicle is habitually drive across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may after being given due notice by the appropriate authority, be required to pay the cost of construction of a carriage crossing or the strengthening of a footway, as the authority considers it necessary, or may be required to comply with conditions imposed by the authority.**
9. **In the case of building or premises to which the public are to be admitted whether on payment or otherwise, attention is drawn to Sections 4 and 7 of the Chronically Sick and Disabled Persons Act 1970 and the associated Code of Practice (BS5810:1979). In the case of premises to which the Offices, Shops and Railway Premises Act 1963 or the Factories Act 1962 applies, attention is drawn to Sections 7 and 8A of the Chronically Sick and Disabled Persons Act and to the same code of practice. In the case of Educational Buildings, attention is drawn to Sections 7 and 8 of the Chronically Sick and Disabled Persons Act 1978 and to the Design Note 18 "Access for the Physically Disabled Educational Buildings".**
10. **If the development site is crossed by an electric line or is within 15 metres (50ft) of the nearest part of a line (measure horizontally along the ground) or if there is reason to believe that it may be crossed by an underground electric cable, the applicant should contact the Electricity Board to ascertain if and what special safety precautions are necessary.**
11. **The grant of planning permission does not entitle developers to obstruct a public right of way. Development on so far as it affects a right of way, should not be started, and the right of way should**

be kept open for public use, until the necessary order under Section 247 and 257 of the Town and Country Planning Act 1990 for the diversion of extinguishment of the right of way has been made and confirmed.
