TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2023/0037**) which was valid on the 16 February 2023 for permission for **Conversion and change of use of existing Dutch Barn and attached Workshop from former log cutting business to 3no holiday lets (this proposal may affect the setting of a listed building and the character and appearance of a conservation area) at Dalley Farm Ashbourne Road Belper**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **REFUSED for the following reasons:**

Conditions/Reasons

1. The proposal to re-position and re-use of the Dutch barn would permanently harm the setting of the Grade II* listed Farmstead by creating a solid mass to an ephemeral agricultural building, which would then completely change its character and the character of the stackyard. As a result, the relationship between the listed buildings and the stackyard would be permanently eroded so that it is no longer intelligible. This would be harmful to the character, appearance and significance of this part of the Belper Conservation Area and the Derwnet Valley Mills World Heritage Site. The harm caused to the heritage assets is less than substantial and at a very high level of less than substantial harm. The limited public benefits of the proposal do not outweigh that harm, and the proposals are considered to be contrary to paragraphs 212, 215 and 219 of the NPPF, policies EN4 and EN5 of the emerging Amber Valley Local Plan 2022-2040 and Policy NPP11 of the Belper Neighbourhood Plan

10. **The grant of planning permission does not entitle developers to obstruct a public right of way.
