TOWN AND COUNTRY PLANNING ACT 1990

In pursuance of the powers vested in the Amber Valley Borough Council under the above Act and Orders and taking into account Government policy and guidance and the saved policies of the Adopted Amber Valley Borough Local Plan 2006, and with reference to your application (**Office Code: AVA/2025/0524**) which was valid on the 23 July 2025 for permission for **Proposed single storey extension at 14 Raven Oak Close Belper Derbyshire**

In the manner described in the application and shown on the accompanying plan(s) and drawing(s) **NOTICE IS HEREBY GIVEN** that permission for the proposed development is **REFUSED for the following reasons:**

Conditions/Reasons

1. The proposed extension, by virtue of its scale, height, and siting on a sloping plot, would result in overdevelopment of the site and an overbearing impact on the private amenity space of the host dwelling. The development would significantly reduce the quality and usability of outdoor space and fail to provide a satisfactory standard of amenity for existing and future occupiers. As such, the proposal is considered to be contrary to Paragraph 135 of the National Planning Policy Framework (2024), which seeks to ensure developments are sympathetic to local character and provide a high standard of amenity, as well as Saved Policies LS3 and H12 of the Adopted Amber Valley Borough Local Plan (2006), which require development to respect the scale and character of the locality and safeguard residential amenity. The proposal is also considered to be contrary to the SPD for Residential Development (2007) which requires private garden areas to have a minimum depth of 10.5 metres which should be of a usable shape, slope, be private, screened and well related to the property.
