Dear Laura

**Re: AVA/2026/0123**

**Variation of condition 2 (approved plans) and condition 4 (parking plan) and removal of condition 6 (air source) of AVA/2025/0407 to allow the proposed canopy to extend further from the extension and submission of revised parking arrangement to accommodate the creation of a disabled ramp, with the removal of the air source heat pump. (may affect the setting of a listed building); Waingroves Methodist Chapel, 58-60 Waingroves Road, Waingroves, Ripley, Derbyshire, DE5 9TB**

Thank you for your consultation letter of 2 March 2026.

The Coal Authority Response:

The Coal Authority has **no objections** as none of the conditions on the planning permission are coal mining related, which stands to reason when considering the comments made in our consultation response letter (dated 6 October 2025) to the planning application (i.e. **no objections**).

Please do not hesitate to contact me if you would like to discuss this matter further.

Yours sincerely
